

# Kindergarten Immunization Requirements

**All children entering Kindergarten are required to meet the following requirements: 3-5 DTaP, 3-5 IPV, (# of Doses depends upon age given)  
3 Hepatitis B AND**

## **Measles, Mumps, & Rubella**

Two (2) doses of Measles vaccine  
Two (2) doses of Mumps vaccine  
One (1) dose of Rubella vaccine  
OR Two (2) doses of the combined MMR  
OR laboratory proof of immunity against  
Measles, Mumps and Rubella

## **Chicken Pox**

Two (2) doses of Varicella vaccine or proof of immunity

## **Hepatitis A** (Required if born on or after 1/1/2006)

Two (2) doses of Hepatitis A

## **Certificates Must:**

Be signed by a physician licensed in GA or public health official. A stamp of a physician's signature is permissible when cosigned by an office staff member. Have a printed typed or stamped name and address of the physician, health department or Georgia Registry of Immunization Transactions and Services (GRITS) official issuing the certificate.

Have a complete date of issue with the month, day and year.

**VACCINATE YOUR CHILDREN EARLY AND  
BEAT THE BACK TO SCHOOL RUSH!**

In the event of a vaccine-preventable disease outbreak, children with medical or religious exemptions will be excluded from attending the school until officials deem it safe for their return.
