Individual Senior Tributes and Friendship Tributes:

In addition to creating an individual recognition tribute for your senior, you can create a "friendship tribute." TIPS for creating your best recognition tribute:

- Your photos will look and fit better if your photo is the same orientation as the picture box. (Horizontal vs vertical orientation.)
- Use clear, high-resolution photos. If your photo is blurry, it will be blurry in your recognition tribute.
- Create the recognition tribute around your student and write a personal message that will be meaningful.
- Use the cropping tools on the website to crop out unnecessary background and focus on your student.

Revenue from yearbook recognition tributes help our school create a better yearbook!
