STAFF PARKING

Staff should complete a new parking application **each year** to update vehicle information and given to **Administrative Staff handling parking at your school.**

New staff should be issued hang tags with the completion of a parking application when they begin employment.

All staff should have hang tags before the first day of school each year and be hung on the rear view mirror on their vehicle while parked on the school district's property.

Please make sure to retrieve the parking tag when a school district employee leaves employment (Employee Exit Checklist). Keep them to re-issue or turn damaged or unusable ones into the CCSD Police Department for replacement.
