

How It Works: TutorATL

Connecting with expert tutors

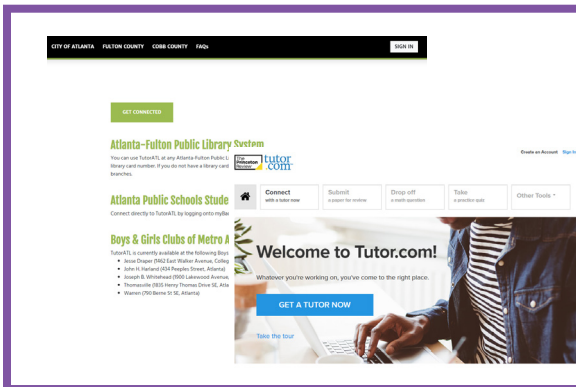

The expert tutors at Tutor.com can help you work through a tough homework problem, improve your writing skills, study for a test, review a difficult concept and so much more!

Get Started

1. Go to TutorATL.org.
2. Click on your location in the top menu to view the access instructions for your organization.
3. Once logged into Tutor.com, click “GET A TUTOR NOW” to connect for a 1:1 learning session.

01

Get the right tutor

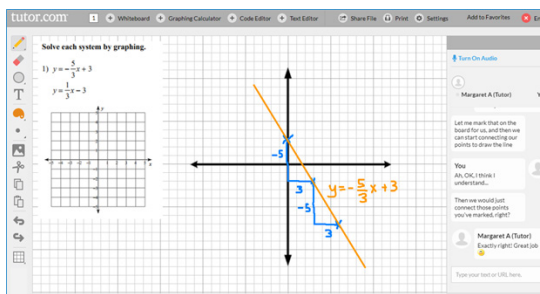

Fill in the quick pre-session questionnaire. Using this information, we will match you with the first available tutor best qualified to assist you.

02

Communicate

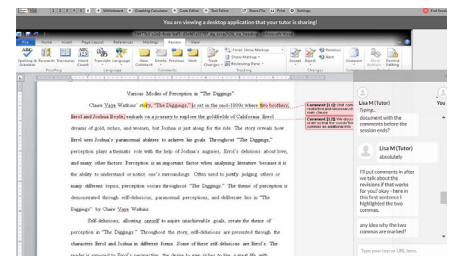

You can use our chat box or an audio connection to either instant message or speak with your tutor once in the online classroom. You and the tutor may also use the interactive whiteboard to share work and ideas. All activity in the classroom is recorded for review and quality control.

03

Share a file

You can share many types of files with your tutor in the classroom. Upload an essay, your lab report, a PowerPoint presentation and more. You and your tutor will be able to view the file together in the classroom.

05

Use special tools

The classroom includes a graphing calculator, text editor and code editor when working on subject material that may require these special tools. Open these tools using the buttons above the whiteboard.

07

Submit your paper

Our drop-off review service allows you to get expert help from a tutor without having to connect for a real-time session. Drop off your writing assignment and get detailed feedback and explanations within 24 hours. Retrieve your tutor's review under "My Sessions."

Practice for a test

Use our practice quizzes to assess your level of knowledge and practice for upcoming tests or quizzes in math, science and English. Take a quiz, review your results and connect with a tutor to discuss any missed questions.
