

Volunteer Opportunities for PSE

We encourage every parent/guardian to volunteer at Powder Springs Elementary. Please email lisa.daves@cobb.k12.org and let her know what you would like to do to help PSE.

1. **Teacher Helper** – Teachers need help laminating, making copies, and decorating boards, organizing/contacting classroom parents.
2. **Hallway/Cafeteria Monitors** – Help us monitor our kids as they enjoy their nutritious meals and also help us keep our hallways safe, clean and orderly.
3. **Morning / Afternoon Car Rider Duty**– We need your help to ensure that our car riders arrive and depart our building safely.
4. **Front Lobby Greeter During School Events** – Schedule a time to come in and help us greet other parents/visitors when they attend school events.
5. **PSE Beautification Team** – As your schedule permits, volunteer to help keep our grounds looking “tip top” by planting flowers, raking, mulching, etc.
6. **Bulletin Board Decorators and Poster Makers** – Bring your creative touch to our school hallways by updating our *parent board*, which informs our parents of PSE news, volunteer opportunities, and upcoming events.
7. **PSE Partner in Education** – We would love to partner with you in business – no community is greater than its schools. Where schools thrive, communities grow and prosper. If you are a business owner, PSE would love to partner with you and your business.

8. **PTA Member** – Being a member of PTA is an area in which everyone can participate, so please join! Remember, your membership makes a huge contribution to our school.
9. **School Event Planning** –Throughout the year, we need volunteers to decorate, bring new ideas into the school and possibly even help plan events.
