

Small Change Turns Into BIG Ideas

SPLOST stands for Special Purpose Local Option Sales Tax. It is a one-cent tax on all consumer goods that must be approved by voters in a referendum. **Education SPLOST (Ed-SPLOST)** receipts can be used only for school-related capital improvements. Since the first Ed-SPLOST was passed in 1998, we have opened a total of 32 new or replacements schools and have constructed more than 3,000 instructional units. Ed-SPLOST has provided the resources to elevate the standards for education in all schools across the district.

Infrastructure

Maintenance projects include constructing major additions/modifications/renovations such new canopies, roofing, toilet room renovations, playground equipment, flooring, painting, lighting upgrades, HVAC, plumbing and many more.

Safety, Security, & Support

Continue to improve school safety by adding access controls, surveillance cameras, security fencing, signage, and traffic controls. Provide support functions such as school buses, maintenance vehicles, students information system enhancement and replacement of the human resources, payroll, and financial applications and equipment.

Technology

Upgrading servers, network access control, data center equipment, and phone systems. As well as replacing obsolete computing devices, printers, and copiers for classrooms and schools, updating interactive classroom devices, band instruments, and renovations to support innovative learning spaces such as STEM labs, Learning Commons, and Robotics labs.

Dodgen MS

Local Impact

Infrastructure
