

November 14, 2021

Dear Lost Mountain Families,

I am pleased to announce free, weekly tutoring sessions in all subject areas starting this week. **Parents, this is the answer to your prayers! Let US help your child get and stay organized, complete assignments (and turn them in), and prepare for quizzes, tests, and the upcoming Milestones this spring.**

Our tutoring program is **free** and available for all students. Lost Mountain teachers will provide extra focus on concepts that help students close learning gaps, improve their grades, and learn study skills for standardized tests as well as classroom tests and quizzes. Students will be tutored based on their needs, and their progress will be closely monitored throughout the year. Attending tutoring regularly is extremely important. Your support and encouragement are vital for your child's success.

Our tutorial program is offered Mondays-Thursdays from 8:00-8:50 am and 4:20-5:20 pm. In order for our staff to manage these sessions, we do ask that students arrive promptly at 8:00. Students who arrive after 8:20 will remain in study hall. In addition, students must be picked up by 5:20 in the afternoon.

In addition to this tutorial program, your child's teachers will continue to offer their regular help sessions, as needed. The teachers will post the dates and times for their help sessions on their CTLS Learn pages.

Feel free to contact me for any questions about the tutoring program at ansley.daniel@cobbk12.org.

We thank you for your support as we work together to ensure academic success for your child.

One Team, One Goal, Student Success!

Ansley
