## 2021 EOC Exam Information

### EOC Testing Information:

EOC testing will be April 27th through May 7th for all students in:

American Literature  
Biology  
US History  
Algebra I

There is **no remote option** for standardized tests.

**We will utilize a revised bell schedule to accommodate testing.** Please see attached.

EOC scores will be **weighted 0.01% of the final grade**. For students with EOC scores greater than their overall course grade, the EOC will be weighted 20% of the final grade.

According to our State Schools Superintendent Woods, **students who are currently virtual students are not expected to enter the building for testing purposes. For students who do not participate, a score of 0 will be given for his/her EOC, however, this will not negatively impact your student's final course grade.** If you choose for your student to **test in-person**, please understand that he/she WILL be testing with face-to-face students.

If your student chooses not to participate in his/her EOC test, then he/she will work independently at home. There will not be alternative instruction/live classroom instruction provided during the times students are testing.

If you have any questions, please reach out to your student's teacher.

Thank you for your continued support.

Sincerely,

Nate Fisher  
Assistant Principal
