Did You Know

The confetti in Times Square has thousands of people's wishes written on them. People write their wishes for the new year and submit them to the Wish Wall in Times Square (or online) and those wishes are turned into the confetti that falls over the crowd at midnight.

Tech Tip

New Holiday Tech

The holiday season is here, and for many, it's a time when new tech gadgets make their way into our homes. Before your kids dive into their new gadgets, take a few moments to set them up for safe and healthy use. Enable parental controls, set strong passwords, and adjust screen time settings to encourage balanced usage. Consider making family rules for tech-free times, like during meals or before bed, to promote quality time together. Start the holiday season with tech that's fun **and** safe!

Cultural Heritage Night

Join us on January 21, 2025 for our annual Keheley celebration of the cultural diversity within our school! We will have displays from different parts of the country and the world where your children can learn geographical facts, interact with passports and stickers, and participate in a scavenger hunt to win great educational prizes!

Last year, our Keheley families showcased displays for Egypt, Ireland, Jamaica, Key West, Latvia, Mexico, New Orleans, Nigeria, Poland, Peru, Scotland, South Korea, and Texas.

The night will include entertaining dance numbers from groups that include Keheley students and samples of food from around the world.

For families interested in showcasing their culture or heritage at this festival, please click on the button below and Carolyn Hughes, our ESOL Teacher, will contact you with more details.
