Empowering Your Child's Online Research: Ensuring Safe and Reliable Sources

In today's digital age, our students often turn to the internet for research purposes. Encourage your elementary student to use safe, kid-friendly websites for research. Our Cobb Digital Library is a wonderful option to help your child navigate the online world safely. You can access the Cobb Digital Library through your child's CTLS.

January 20 Day of Service

Thank you to those that came out in the freezing cold to support our mission of creating blankets to donate to the warming center at Transfiguration Catholic Church. We had a wonderful turnout and the warming center was thrilled to accept our donations. Families also created care cards for local nursing homes and elderly care facilities. What a way to bring our community together to help others! Amazing acts of service and kindness.

A heartfelt thank you to our wonderful parishioners, Mike and Emma Garza, who dropped off beautiful handmade blankets for the ladies in our warming center today. This is their second year blessing us with their generosity!

What makes it even more special is that they partnered with the children from Keheley Elementary School to create these blankets—a true example of how our Church community and local schools come together to serve others.

We are so grateful for the love and care that went into this project. It's amazing to see the hands of Christ at work!

Un sincero agradecimiento a nuestros maravillosos feligreses, Mike y Emma Garza, quienes hoy entregaron hermosas mantas hechas a mano para las señoras de nuestro centro de acogida. ¡Esta es el segundo año en que nos bendicen con su generosidad!

Lo que lo hace aún más especial es que colaboraron con los niños de la Escuela Primaria Keheley para crear estas mantas, un verdadero ejemplo de cómo nuestra comunidad parroquial y las escuelas locales se unen para servir a los demás.

Estamos profundamente agradecidos por el amor y la dedicación puestos en este proyecto. ¡Es increíble ver las manos de Cristo en acción!
