Did You Know

Ed-SPLOST Dollars at Work

With are new Ed-SPLOST funded playground almost complete, we are looking ahead to more SPLOST improvements. In the school year 2025-2026, your SPLOST Dollars will begin supporting new roof, full building repaint, covered bus port walkway, restroom renovations, and a digital marquee! Planning has already begun! Thank you for continuing to support Ed-SPLOST penny tax, so we can have many updates at Keheley!

GADOE Family Climate Survey Link

Thank you to those that have already completed the survey. If you have not, please take a moment to complete our annual Climate Survey. We current have 10% of families that have responded. We appreciate your time and feedback.

Georgia School Climate Survey
2024-2025
Families
Cobb County | Keheley Elementary School

<https://survey.gadoe.org/FM?sid=BB1EBFFA>

What is the purpose of this survey?

To measure what parents or guardians think about this school.

What if you have more than one child in a Georgia public school?

Every parent or guardian is invited to take this survey for each school(s) you have a child or children attending this year. If two or more children attend the same school, please only complete one survey for each school.

How will the data be used?

The data will be provided to school leaders to help them improve the school.

How long will it take?

About 5 to 10 minutes

How many questions are there?

22 questions

Is the data kept confidential?

Answers are not linked to names in any way. When you type answers, do not give names or information that you don't want to share with this school.

What if a question does not apply to me?

Please complete all questions, selecting "skip" only if the question does not apply to you.

Digital Learning Days

CTLS has improved how Cobb students learn and how teachers teach. During the 2024-2025 school year, CCSD has designated Digital Learning Days (previously Asynchronous Learning Days) to allow teachers the chance to participate in professional learning. On these days, students will learn at home through CTLS and not report to Keheley.

Digital Learning Days

- August 19, 2024
- October 14, 2024
- March 3, 2025

OVERVIEW

On Digital Learning Days, you can expect the following:

- Students will work from home, through CTLS, on teacher assigned choice boards and other posted activities within their Digital Classrooms.
- Teachers will have reviewed expectations with students prior.
- Teachers will not host live, face-to-face instruction on these days.
- Students will post work in CTLS or bring assignments into the school the following day.

DAILY ASSIGNMENT EXPECTATIONS

All Grades K-5 will have 30-minute assignments, that students should be able to complete independently, posted in CTLS in each of the following subjects:

- Reading/Writing
- Science or Social Studies
- Math
- Specials (select one specials)

TIPS FOR SUCCESS

- Make sure your student has access to CTLS.
- Elementary students can expect around 2 hours of total work per day that can be completed at their own pace and schedule.

REQUIREMENTS

All work will be housed in CTLS and will be published for student access by 8:00 a.m. on the Digital Learning Day.

SPECIALS SCHEDULE

Each of our special teachers will post activities in their digital classrooms. Students are encouraged to login to the specials of their choosing to complete activities.

TARGET

If your child is scheduled for Target on a day that is declared a Digital Learning Day, he or she should log into his/her Target teacher's class in CTLS. The Target teacher will post assignments on the class board in CTLS.

FREQUENT CONCERNS

- Communicate any issues or concerns with your child's teacher.
- Try your best to complete tasks, but do not worry if all items cannot be completed.
- Do not stress over assignment, device, or Internet issues.

CTLS SUPPORT

<https://www.cobbk12.org/page/87038/ctls-learn-support>

Revised: 8/16/2024

<https://www.cobbk12.org/page/87038/ctls-learn-support>

Students will work from CTLS on Monday, March 3. Students will not report to school.

Read Across Cobb Day March 5 Reading Rodeo at Keheley

Saddle up and come read in our Reading Rodeo on Wednesday, March 5th! We need parent volunteers to make Keheley's Read Across America day the best yet. Our theme this year is a 'Reading Rodeo!' We have 2 slots per grade level. We encourage you to wear your Rodeo gear to celebrate the theme. Thank you for signing up and volunteering your time. Strap on your boots, lasso a good book and buck on in to our Reading Rodeo! Feel free to sign up for any grade level, not just your child's grade!

Parent University Literacy at Home Over the Summer

Join us in the Keheley Media Center from 5:30-6:30 PM on Tuesday, March 11 as Megan Arocho dives into how to support you child with reading over the summer months. Keheley PTA will be providing free dinner and childcare for all that attend. Look for RSVP in next week's update.

Work at Keheley

Our After School Program is hiring. Apply at the links below.

Science Fair

You are invited to explore the wonderful world of science by participating in the Science Fair! Your project doesn't have to be complicated for it to be an amazing one. It can be both fun AND educational!

- Your parents may assist you, but **YOU** must be the main scientist.
- If you choose to work with a partner, s/he must be in the same grade as you.
- Everyone who participates will receive a certificate.
- The top projects will have the chance to move on to the Cobb Science Fair. For more information you can go to Cobb County Science blog: <http://www.ccsdscience.com/1-5.htm>

Important Dates:

- **March 18th** Drop off projects in Media Center
- **March 19th-21st** Keheley Science Fair
- **Saturday, April 26th** Cobb County Science Fair

Be creative and HAVE FUN!!!

Tech Tip

Wait Until 8th Reduces Exposure to Cyberbullying

Younger children are particularly vulnerable to cyberbullying and online predators. By delaying smartphone use, parents can better protect their children from these risks. This extra time allows children to mature and develop the resilience needed to handle online interactions safely. Parents can use this period to educate their children about internet safety, responsible online behavior, and how to recognize and respond to cyberbullying. This proactive approach helps children build a strong foundation for navigating the digital world with confidence and caution.
