What is a School-Parent Compact?

A School-Parent Compact is an agreement that parents, students, and teachers, develop together. It explains how parents and teachers will work together to make sure all of our students succeed. This compact includes strategies to help connect learning at school to learning at home.

Jointly Developed

The parents, students, and staff of Milford Elementary worked together and shared ideas to develop the school-parent compact for achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Parents are encouraged to participate in the annual review process of the compact and make changes based on students' needs. Parents are welcome to contribute comments at any time. Please contact our Parent Facilitator, Mrs. Elsa Alejandra Constantino at (678) 842-6966 Ext. 051 or elso@cobblek12.org at

Milford Elementary School Activities to Build Partnerships

Teachers, Parents, and Students-Together for Success

Milford Teachers

The primary teachers, specialists and support staff will work with your students to develop understanding of grade level standards. They will:

Provide books for reading 20 minutes nightly on each child's independent level; invite parents to an academic workshop to support the literacy standards.

Provide Parent Road Maps that explain and show models of the Georgia Standards of Excellence Math Strategies; provide an online license for XtraMath and iReady for students to access at school and home; invite parents to an academic workshop to support the math standards.

Provide writing activities to parents in all subject areas

Milford Families

Families will:

Read with their child nightly to support literacy standard; families will attend an academic literacy workshop.

Review the Parent Roadmap's to better understand math strategies; Access Xtra Math and Splash Math from website and review math assignments with their child; families will attend an academic math workshop.

Provide time for students to write daily in all subjects.

Milford Students

Students will:

Read at school and at home daily.

Access Xtra Math and iReady Reading and Math at school and at home; practice math skills nightly.

Students will write daily in all subjects

Milford Goal(s) for Student Achievement

- Increase the participation rate of families and communities engaging in services/programs by 10% as measured by CTLS Parent data, survey results & web view module.
- The percentage of students in 3rd – 5th grade performing at proficient or higher on the Reading Inventory will increase by 10% from May 2023 to May 2024.
- The average percentile of students scoring proficient or better in kindergarten through fifth grade will increase by 10% on the MI administration from May 2023 to May 2024.
