Tech Tip

Week 1: Spring Clean Your Devices

March is the perfect time for some digital spring cleaning! Help your child's device run smoother and stay organized with these quick steps:

- ✓ **Delete** apps, files, and photos that are no longer needed.
- ✓ **Organize** schoolwork into labeled folders for easy access.
- ✓ **Update** apps and software to keep everything running securely.
- ✓ **Check storage** to make sure there's enough space for new projects.

A little tech tidying now will save frustration later!
