Tech Tip

March is the perfect time for some digital spring cleaning! Let's update passwords.

Week 2: Password Power-Up

Strong passwords help protect personal information and school accounts. This week, take time to:

- **Update passwords** if they haven't been changed in a while.
- **Use a passphrase** instead of a simple word (e.g., "PancakesAreYummy2024!").
- **Teach kids never to share passwords** (except with parents/guardians).
- **Enable multi-factor authentication (MFA)** when possible, for extra security.

Make it fun! Have your child create a silly but strong password that only they (and you) know.

Beta Club Spring Fling

We want to invite YOU to the Beta Club Spring Fling at Kell High School on Saturday, March 22nd from 10-12. We will have an egg hunt, crafts, relay races, and many other activities! This is a free event hosted at Kell High School on the main football field. All elementary feeder school students and their younger siblings are invited! Please scan the QR code below to RSVP so we have enough eggs for you!

CAN'T WAIT TO SEE YOU THERE!
