Dates to Remember

3/25 Family Math Night, Art Show, PTA meeting, 5:30

4/7-4/11 Spring Break, no school

Did You Know?

Our cafe received a 100 on their most recent health inspection! Way to go Heather, Jeff, Deann, and Lisa.

Kindergarten and New Student Registration

Cobb teachers are looking forward to helping your child begin their educational journey. So, do not delay, register your new student today! Please share with your neighbors and friends!

The online student registration, which is the same system used for all students who are new to the Cobb County School District, enables the enrolling adult to register all students in their family at one time. The safe and secure system allows parents to enter information, save it, and return later to complete the registration.

Enrolling adults who already have a current Cobb student will need to use their ParentVue account to register additional new students. If you are a parent with students currently enrolled in the school system and do not have access to your ParentVUE account, contact your local school to obtain the ParentVUE activation code.

Calling ALL Volunteers

We would like to extend our deepest gratitude to our many volunteers and invite you to our Volunteer Breakfast. Whether you served as a guest reader, room parent, committee member, helped at an event, participated in community clean-up efforts, sent items in for special events, or volunteered in any other capacity, your involvement has been invaluable. Your willingness to be involved are truly a testament to the power of community, and we are so fortunate to have you as part of our team.

To those who have generously given
their time and effort by volunteering at
Keheley, we invite you to a

5th Grade Target Project

3rd-5th Grade Milestones Online Practice

Students in grades three through five will take the Georgia Milestones End of Grade Assessments beginning April 22. Milestones practice at home is helpful to acclimate third through fifth grade students to the Milestones online program. Follow this link for study questions at home: <https://www.gaexperienceonline.com/>

Tech Tip

March is the perfect time for some digital unplugging!

Week 3: Screen Time Spring Reset

With longer days and warmer weather, it's a great time to refresh screen time habits:

Encourage outdoor play before or after school.

Set tech-free zones in bedrooms and at the dinner table.

Use built-in timers on devices to help with balance.

Swap some screen time for reading, puzzles, or creative play.

Small changes can lead to healthier habits and better focus in school!

Typing Practice

We're delighted to witness our students excelling in their tech skills, especially in typing and their proficiency in Office 365. In today's digital world, strong typing abilities are indispensable. We urge you to continue nurturing this growth at home. Just a few minutes of daily practice can yield significant results. Our students are currently utilizing <https://typetastic.com/learn2.html> for their typing practice. Your support in this endeavor equips your child with a vital skill for success. Thank you for partnering with us in their education.

Beta Club Spring Fling

We want to invite YOU to the Beta Club Spring Fling at Kell High School on Saturday, March 22nd from 10-12. We will have an egg hunt, crafts, relay races, and many other activities! This is a free event hosted at Kell High School on the main football field. All elementary feeder school students and their younger siblings are invited! Please scan the QR code below to RSVP so we have enough eggs for you!

CAN'T WAIT TO SEE YOU THERE!
