**Kindergarten and New Student Registration**

Cobb teachers are looking forward to helping your child begin their educational journey. So, do not delay, register your new student today! **Please share with your neighbors and friends!**

The online student registration, which is the same system used for all students who are new to the Cobb County School District, enables the enrolling adult to register all students in their family at one time. The safe and secure system allows parents to enter information, save it, and return later to complete the registration.

Enrolling adults who already have a current Cobb student will need to use their ParentVue account to register additional new students. If you are a parent with students currently enrolled in the school system and do not have access to your ParentVUE account, contact your local school to obtain the ParentVUE activation code.

We would like to extend our deepest gratitude to our many volunteers and invite you to our Volunteer Breakfast. Whether you served as a guest reader, room parent, committee member, helped at an event, participated in community clean-up efforts, sent items in for special events, or volunteered in any other capacity, your involvement has been invaluable. Your willingness to be involved are truly a testament to the power of community, and we are so fortunate to have you as part of our team.

To those who have generously given  
their time and effort by volunteering at  
Keheley, we invite you to a

### 3rd-5th Grade Milestones Online Practice

Students in grades three through five will take the Georgia Milestones End of Grade Assessments beginning April 22. Milestones practice at home is helpful to acclimate third through fifth grade students to the Milestones online program. Follow this link for study questions at home: <https://www.gaexperienceonline.com/>

### Spring Learning Collections

Welcome to the Cobb County School District's Spring Learning Collection. These collections include instructional activities students can complete during Spring Break. There are no grades associated with these activities as they serve as an optional supplement to the instruction your student receives throughout the school year. Activities are available for each day of the Spring break and can be completed at a time convenient for the family. Click the link below and enter the access key: SLC2025

## Spring Break Tech Tip for Parents:

## ● Take a Digital Field Trip! ●

Explore the world from home with virtual field trips! Visit the Great Wall of China, dive into the ocean, or explore space—all with just a few clicks.

## 📱 Try these free resources:

- [Google Arts & Culture](#) – Museums, landmarks, and historical sites
- [National Geographic Kids](#) – Animals, science, and geography
- [Nasa Kids Club](#) – Space adventures and astronaut fun
- [Monterey Bay Aquarium](#) Watch sea creatures in action (they have the cutest sea otters)

■ **Bonus Tip:** Use a “Tech Ticket” system—kids earn screen time by exploring new places, reading, or playing outside!
