- 4/26- Comet Fest 5:00pm
- 4/29- Parent University - Literacy
- 5/3- First Friday \$1 Star Wars themed
- 5/3- Field Day

Did You Know

We are hosting our last Parent University focused on literacy. All parents are invited to attend to learn about how to help your student with reading and what specific strategies we use at Keheley. Email Megan.Arocho@cobbk12.org to RSVP. This is a repeat from the January session.

Kindergarten and New Student Registration

 Right-click or tap and hold here to download pictures. To help protect your privacy, Outlook prevented automatic download of this picture from the Internet.
alt_text

Registration for new kindergarten and first-grade students (and ALL new students to Cobb) is currently underway online for the 2024-2025 school year. Don't delay!

Keheley has upcoming April, May and July events for kindergarten students that are fully enrolled!

The online student registration, which is the same system used for all students new to the Cobb County School District, enables the enrolling adult to register all students in their family at once. The safe and secure system allows parents to enter information, save it, and return later to complete the registration.

Enrolling adults who already have a current Cobb student will need to use their ParentVue account to register additional new students. If you are a parent with students currently enrolled in the school system and cannot access your ParentVUE account, contact your local school for assistance.

You can register online at olr.cobbk12.org

Did someone hit REPEAT?

We had such overwhelming positive feedback from parents that attended this event in January; we decided to host again.

Parent Literacy University

MONDAY APRIL 29TH FROM 5:00-6:00PM

(PARENT ONLY MEETING)

Designed to inform ALL parents, no matter your student's success level in reading. You will walk away with a new understanding of how your child is learning to read and spell, what key components and assessments we use, and how you can continue to support at home.

Tech Tip

To help your child ace their end-of-grade assessments, consider implementing an early shutdown of technology. Here's why it matters:

1. Better Sleep: Screens before bed can disrupt sleep quality. Shutting down early fosters better rest, crucial for peak performance.
2. Stress Relief: Screen-free evenings promote relaxation, reducing test-related anxiety.

Tips:

- Set a nightly tech shutdown time, ideally an hour before bed.
- Establish a calming bedtime routine without screens.

Explain the benefits to your child and lead by example.

Let's prioritize rest for success. Thank you for supporting your child's journey!
