Field Day

BEST. DAY. EVER. Way to go, Coach Lawson, for planning an amazing Hawaiian FD extravaganza!

Kindergarten and New Student Registration

Cobb teachers are looking forward to helping your child begin their educational journey. So, do not delay, register your new student today! **Please share with your neighbors and friends!**

The online student registration, which is the same system used for all students who are new to the Cobb County School District, enables the enrolling adult to register all students in their family at one time. The safe and secure system allows parents to enter information, save it, and return later to complete the registration.

Enrolling adults who already have a current Cobb student will need to use their ParentVue account to register additional new students. If you are a parent with students currently enrolled in the school system and do not have access to your ParentVue account, contact your local school to obtain the ParentVue activation code.

Publix

Publix Supermarkets has made the difficult decision to discontinue their Publix Partners Program with schools. You can still use your store card for Keheley until June 28, 2025. The program will end on June 29, 2025.

Tech Tip

Tech Tip: Test Day = No Tech Morning

Start testing days with calm, not chaos.

Morning screen time can lead to overstimulation and distracted thinking before tests. It's better to start the day with routines that ground and calm your child.

Try This:

- Avoid phones, tablets, or games before school on testing days.
- Instead, play music, share a calm breakfast, or do light stretching.
- Leave the house with a full belly and a clear head!

A calm start helps kids feel confident and focused.

A brown paper sign with a red border and the words "TOP SECRET" in bold white letters is placed over the yearbooks. To the right of the yearbooks, the text "Only a few left!" is written in large white letters. Below this, it says "We have a limited number of yearbooks left!
