## BEN MASSELL DENTAL

"Certain criteria must be met to be able to use the clinic, and some processes have changed. Eligibility screening is now done over the telephone, so it no longer is necessary to come to the Clinic or mail in information to see if you are eligible! Unfortunately, we cannot accept walk-ins. To see if you are eligible, on Monday mornings starting at 9am please call 404.881.1858 and select option 2. When you hear the message, please leave your information, spelling your first and last name and all phone numbers where you can be reached. Based on the high volume of need for this service, only one attempt will be made to reach new patients. Registration is limited to the first 25 new patients per week. The mailbox typically fills up quickly for the week. A message that the mail box is full means new patient screening is closed for that week, and you should try again the following week. To qualify for services you must: Live in one of the following counties: Butts, Cherokee, Clayton, Cobb, Coweta, DeKalb, Douglas, Fayette, Fulton, Gwinnett, Henry, Paulding, Rockdale. Show proof of county residence for at least six months. Have no insurance to cover dental costs. Have a total household income at or below 125 percent of the current poverty level. This chart can be used to help you determine your eligibility. Family Size Monthly Income (125% of 2015 Federal Poverty Guidelines) 1 \$1,226 2 \$1,660 3 \$2,093 4 \$2,526 5 \$2,960 6 \$3,393 7 \$3,826 8 \$4,260 "
