BUDGET MESSAGE

COBB COUNTY SCHOOL DISTRICT

CHRIS RAGSDALE –SUPERINTENDENT

April 30, 2018

Dear Cobb County Citizens,

On behalf of the Cobb County School District (CCSD), I am pleased to present this Popular Report as a summary of the District's annual Tentative Budget. The annual budget development process is one of the largest, most complex projects that the CCSD undertakes each year. This report will explain, in simple terms, the complexity of the school system's budget. Our budget reflects the priorities of our District and the community as a whole. Understanding our budget is essential as we work together as **One Team** with **One Goal** to achieve **Student Success**.

There are two primary revenue sources for the CCSD: State of Georgia Quality Basic Education (QBE) revenue and local property tax revenue.

State of Georgia Quality Basic Education (QBE) Revenue

The State of Georgia provides approximately 50.80% of the CCSD's revenue from predetermined formulas. The revenue related to these formulas is calculated based on the total number of students and the instructional programs in which these students are involved. Control of this revenue is assured through verification of student population counts which are conducted throughout the school year.

Local Property Tax Revenue

Local Property Tax Revenue generates approximately 48.61% of the CCSD's revenue. The value of property in Cobb is taxed using a tax rate called millage. The Board of Education is responsible for setting the millage tax rate each year. Taxpayers in Cobb enjoy some of the lowest taxes in Metro Atlanta. The CCSD budgets carefully, focusing on expenditure control each year to balance the budget. Administration continually monitors expenditures and implements efficiencies throughout the year to ensure fund availability for support of our students and teachers.

Cobb's economy is experiencing a consistent pattern of growth in property value. The Tax Assessor has predicted that the local property tax digest as a whole will increase by 7.50% in FY2019. After exemptions are excluded, the Cobb County School District expects to realize a 6.00% proportionate increase. Increasing property value is a vital factor in helping to balance CCSD's budget. The State's economy is also strengthening and Governor Nathan Deal's State Budget includes an increase in QBE funding to allow for student growth and increased Teacher Retirement System (TRS) contribution rates. Most notably this year, Governor Deal eliminated State austerity cuts to education. The austerity reductions, cumulatively totaling nearly \$600,000,000 for the CCSD since their inception in 2003, have made a significant impact in budget planning for the past 16 years. We are grateful that the Governor and the State Legislature have chosen to fully fund the QBE formula and support our public school systems across Georgia. With careful consideration of all revenue estimates and many hours of work by the Board and Administration, the Cobb County Board of Education has approved the Tentative Budget for Fiscal Year 2019.

Cobb County School District FY2019 Budget

Message from the Superintendent

The FY2019 General Fund Budget is structurally balanced as recurring revenue of \$1,069,823,890 is equal to recurring expenditures. The recurring expenditure budget is \$1,069,823,890 with an additional \$7,800,000 for a one-time 1.1% salary bonus. The inclusion of the one-time bonus adjusts the total expenditure budget to \$1,077,623,890. The budget is based on a predicted enrollment of 110,679 (including Kennesaw Charter School and Devereux) students and major highlights include:

- A 1.1% Raise for All Permanent Employees
- A 1.1% Bonus for All Eligible non-238 Day Employees
- A Decrease to a 236 Day Work Year (With No Decrease In Salary) for 238 Day Employees
- A Full Salary Step for All Eligible Employees
- A 6% Increase in Property Digest Growth

The preparation of the FY2019 Budget has required input from all levels of the District's organization. The following information presents the highlights for all major fund groupings recorded as part of CCSD's budget plan for FY2019.

The Cobb County School District has two types of employees: those who teach and those who serve those who teach. Our employees are conscientious stewards of taxpayer dollars. They work hard to provide the best possible educational opportunities for all of Cobb's students while maintaining efficient and effective spending controls. This Tentative Budget is a prudent plan that balances the many and varied needs of our students with the economic realities of our community.

Regards,

Chris Ragsdale
Superintendent

General Fund Budget Development Highlights

Summary and Comments Regarding the Development of the FY2019 Budget

The development of the FY2019 Budget is a planned, orderly process, which prioritizes budget requests using available resources. The budget process includes the estimation of revenues to fund the necessary operating expenditures of the CCSD. Decisions on the appropriation of funds are made after input is received from individuals from inside and outside the school system. All the technical aspects and tasks of budget development are assigned to responsible employees of the system to ensure that accounts, programs and services are reviewed, analyzed and comply with the CCSD's core values: Achievement, Integrity, Creative/Innovation, and Accountability.

The CCSD's careful implementation of significant budget reductions over the past years, along with prudent financial management, has left the District in a better financial position than many had anticipated. As a result, the district plans to use \$7,800,000 in revenue reserve to offset the shortfall in revenue.

Each CCSD functional area (school or department) has a detailed budget designed to carry out their operations. All functional areas are required to review each of their revenue and expenditure accounts. FY2019 system-wide school district staffing estimates and requirements are also reviewed as part of the budget balancing process. Administration evaluates and prioritizes school district budget balancing ideas.

The Board tentatively approved the FY2019 Budget on April 19, 2018. The Board has and will hold two public hearings for the budget on April 19, 2018 and May 17, 2018. Final adoption of the FY2019 Budget is scheduled for May 17, 2018. The FY2019 Tentative Budget is available on the Internet for public review at address: <http://www.cobbk12.org/centraloffice/finance/2019Budget/>

Special Revenue and Internal Service Fund Highlights

The primary purpose of **Special Revenue Funds** is to account for federal, state, and local programs. Special Revenue Funds comprise a small percentage of the total budget. The CCSD has developed budgets for these funds which include the latest budget information available at this time. In many cases, final federal allocations for the year are not currently available; therefore, federal/state budgets for next year are based on current levels of funding. Selected Special Revenue Funds highlights are as follows:

- **School Nutrition Fund** – This program provides meals to students during the school day. Elementary, Middle, and High School lunch prices will not increase for the FY2019 school year. *Student Breakfasts - \$1.50; Student Lunches - Elementary School \$2.35, Middle School \$2.60, High School \$2.60; Adult Breakfast \$2.00 and Adult Lunch \$3.50; Guest Breakfast \$2.00 and Guest Lunch \$3.75.*
- **After School Program Fund** - This program utilizes designated school facilities to provide supervision and enrichment for students from school release time until 6:00 P.M. There is no increase in the daily rate for this program for the FY2019 school year. The FY2019 rate is \$7.00 per day with a \$10.00 registration fee.
- **Public Safety Fund** - This safety program is funded by a General Fund transfer and parking decals sold to students which pay for security guards who serve as traffic and safety officers at schools. For FY2019, parking decals are \$50 per semester.

Internal Service Funds are used in the CCSD to account for the financing of goods or services provided by one department to other departments in the school district. This grouping of funds include: Unemployment, Self-Insurance, County Wide Building, Purchasing/Warehouse and Flexible Benefits.

General Fund Budget Preparation

Budget Process Summary and Assumptions

The budget preparation process extends for a period of approximately twelve months beginning on July 1. All funds are budgeted by the CCSD on an annual basis. The fiscal year (July 1 through June 30) budget must be submitted to the seven members of the local Board of Education prior to June 30 for legal adoption.

The Superintendent and staff meet to develop a proposed balanced budget for submission to the Board of Education. Budget sessions with the Board and two official public budget forums are conducted. Following the public forums, the Board legally adopts the budget. The budget is prepared according to the Georgia Department of Education (GDOE) format and submitted for formal approval. The GDOE generally approves the budget in November; however, school districts are permitted to expend funds on a conditional basis until final State approval is received.

The local Board of Education may legally amend the budget at any time during the year, but must obtain the approval of the Georgia Department of Education for any amendment which exceeds five percent of the State approved budget at the state functional series level. No public funds may be expended until the local Board has approved the budget. The CCSD prepares the budget on a modified accrual basis whereby revenues are generally recognized when susceptible to accrual and expenditures are recognized when related fund liability is incurred. Federal and state grants (excluding QBE) and property taxes with related interest and penalties received within sixty days after year-end are recognized as revenues prior to receipt for budgetary purposes.

Budget Assumptions

Enrollment - The enrollment projections for the coming school year were obtained from State of Georgia DOE FTE Counts.

Personnel Allotments - The teacher, paraprofessional, counselor, media specialist, principal, assistant principal, clerical needs and other school positions are determined based on the full-time equivalent (FTE) count data and personnel allotment formulas.

Salary Adjustments - Salary adjustments are recommended by the Superintendent and Executive Cabinet.

Program Evaluation - New programs and continued programs are recommended for consideration in the proposed budget and are considered based on their contribution to district-wide and school-level objectives.

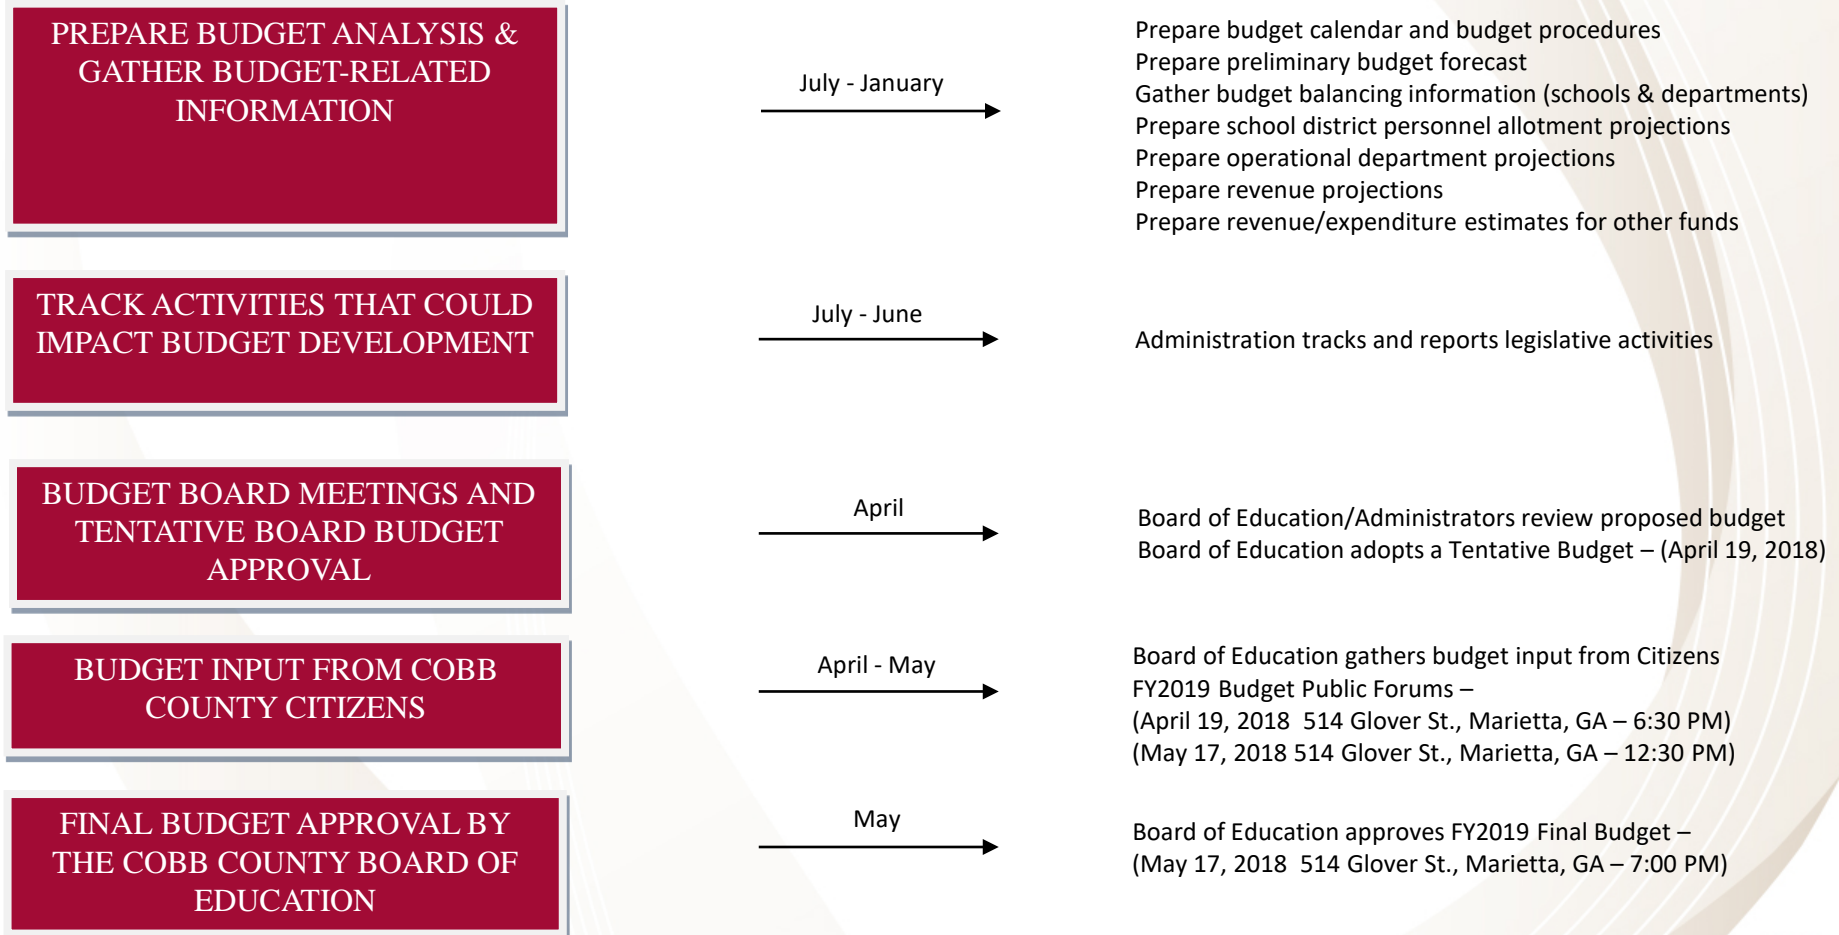

Equipment - Furniture, computers and other equipment accounts were continued at the previous year's level.

General Fund – State Revenue

The State of Georgia contributes approximately 50.80% of the Cobb County School System's Revenue. The State of Georgia uses a funding formula called the Quality Basic Education (QBE) Act:

FTE Count X Program Weight X Base Amount X Training & Experience Factor - Local Five Mill Share

FTE (Full-Time Equivalent) Count - The funding formula utilizes a concept called Full-Time Equivalent (FTE). The State of Georgia allocates funds to school districts based on their number of full-time students. Cobb County reports enrollment during each school year to the State of Georgia. Each school day is divided into six parts and the student is counted six times. Students in study hall, student/classroom mentor, non-credit courses, etc. may not be counted for the portion of the day that they attend these programs.

Program Weight - Since different programs (kindergarten through grade 12) vary in their cost of operation, each program is assigned a program weight. The Governor is authorized to appoint a task force every three years to recommend to the General Assembly any needed changes in the program weights. The following are the FY2018 Program Weights (FY2019 is not available):

Programs	Weights	Per FTE Cost

Base Amount - Standard cost per student amount established by the State of Georgia. The base amount for FY2018 is \$2,541.56 per student.

Training & Experience - The State of Georgia allocates additional funds to school districts to adjust for varying levels of teacher education and years of experience.

Local Five Mill Share - The Local Share for each school system is an amount of money equal to the amount that can be raised by levying five (5) mills on the forty (40) percent equalized property tax digest. Each local system will receive an amount of State funds that is the QBE program cost for the system MINUS the Local Share amount. Cobb County's Local Share contributions have risen sharply over the last decade. The graph below represents the funding deducted from the State revenue earned by the CCSD.

\$285,842	<i>House assessed at Fair Market Value</i>
X .40	<i>40% Assessment Rate</i>
\$114,337	<i>Assessed Value for Tax Purposes</i>
<u>(\$10,000)</u>	<i>Homestead Exemption</i>
\$104,337	<i>Tax Base for Property Tax</i>

Internal Service Funds

Internal Service Funds — School boards are frequently faced with needs which require a decision either to secure goods or services from a source outside of the school system or to produce the goods or provide the services themselves. Internal Service Funds are used to account for the financing of goods or services provided by one department to other departments of the school district. Internal Service Funds are intended to be self-supporting but they are not intended to accumulate profits. Income for the Internal Service Fund consists of revenue from each of the school district's departments equal to the cost of goods provided or for services rendered to the department(s). The fund may add a small charge to create a reasonable cushion to absorb unforeseen costs or losses. The Internal Service Fund replenishes its capital equipment and fund balance by billing the departments and funds for services rendered or with a materials surcharge.

CCSD Personnel

The Cobb County School District is an extremely labor-intensive organization, as is any school district in our country. As the second largest school district in Georgia and the largest employer in Cobb County, the CCSD has thousands of employees who provide a positive educational experience for all Cobb County students.

The following pages present a listing of all employee groups within the CCSD for the General and Other Funds. This listing provides an idea of just how diverse the employee population must be in order to operate all activities in an effective way.
