Through the Lense

Congratulations to Olivia Davis for winning 1st place in the Regional Science Fair! Way to go!
Walk to School Day and First Friday were a great success!
Milestone testing is going well! CFA milkshake cards for hard workers!

Kindergarten and New Student Registration

Cobb teachers are looking forward to helping your child begin their educational journey. So, do not delay, register your new student today! **Please share with your neighbors and friends!**

The online student registration, which is the same system used for all students who are new to the Cobb County School District, enables the enrolling adult to register all students in their family at one time. The safe and secure system allows parents to enter information, save it, and return later to complete the registration.

Enrolling adults who already have a current Cobb student will need to use their ParentVue account to register additional new students. If you are a parent with students currently enrolled in the school system and do not have access to your ParentVUE account, contact your local school to obtain the ParentVUE activation code.

[Click HERE to start your ONLINE REGISTRATION](https://olr.cobbk12.org)

Dedication

Tech Tip

 **Tech Tip: Not all screen time is created equal... Let's give young minds time to recharge.**

Students who spend too much time on screens for learning or play can overload their brains. Short, frequent breaks help kids stay focused and reduce screen fatigue.

Try This:

- Use the **20-20-20 rule**: every 20 minutes, look at something 20 feet away for 20 seconds.
- Encourage tech-free outdoor time after school.
- Balance screen time with movement, conversation, and hands-on play.
- Fresh eyes = focused minds!
