Through the Lense

IN MEMORY OF MRS. AMY GERMANO

*Her smile lit the halls, a beacon so bright,
A teacher, a friend, a warm guiding light.
She lifted up hearts with kind, steady hands,
And saw the best in all—she'd always understand.
In orange she cheered, with Volunteer pride,
A true team player, always by our side.
Though she may rest, her love carries on,
In laughter, in learning, from dusk until dawn.
Sit here, remember, and feel her near—
A bench for her joy, her strength, and cheer.*

Kindergarten and New Student Registration

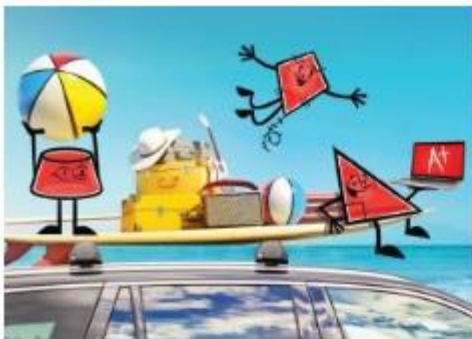

Cobb teachers are looking forward to helping your child begin their educational journey. So, do not delay, register your new student today! **Please share with your neighbors and friends!**

The online student registration, which is the same system used for all students who are new to the Cobb County School District, enables the enrolling adult to register all students in their family at one time. The safe and secure system allows parents to enter information, save it, and return later to complete the registration.

Enrolling adults who already have a current Cobb student will need to use their ParentVue account to register additional new students. If you are a parent with students currently enrolled in the school system and do not have access to your ParentVUE account, contact your local school to obtain the ParentVUE activation code.
