Principal's Message

What a wonderful start to the school year! It has been such a joy to welcome our students back to our classrooms and see the excitement on their faces as they reconnect with friends, meet their teachers, and begin new learning adventures.

As a reminder, **tomorrow will be the last day that you may walk your child(ren) to class.** Beginning next week, our staff will be throughout the building to warmly greet students and help them transition confidently to their classrooms. This important step helps foster independence while ensuring a smooth and safe start to each school day.

Thank you for your patience, support, and trust as we establish routines for a successful school year. We are grateful for your partnership! We hope you know that by working together, we can make this an incredible year for every child.

Scan the QR Code to join the Class Directory. This is where you can sign up for volunteer opportunities such as being a Room Parent for your child's classroom!

SPLOST Updates

We just want to send a HUGE "THANK YOU" to our district for putting our SPLOST dollars to work. While some projects are still underway, as you look around our building, you may notice many improvements that were made possible by SPLOST.

We have a new awning that helps keep our students and staff dry during rainy dismissals, refreshed bathrooms, new interior and exterior paint and a new roof! We are enjoying these improvements and we hope you do too!

Announcements and Shoutouts

From Transportation:

If you have not already, please use the link below to fill out the required Safe Rider Form if your student(s) ride the bus. This is important so the driver can communicate any concerns with you. This form is also critical for our 8 & under students to be released properly.

I have also included the link for the Parent Portal, as this is required to access the Safe Rider Form. You will use the login information from the Parent Portal to log in to the Safe Rider Form.

Lastly, if you need to make a change to the Safe Rider Form you have already submitted, you will use the link again and fill out a new document that will replace the previous version.

If you have questions, please reach out to the Transportation Office at 770-420-5810.
