Principal's Message

Can you believe we are already wrapping up our second week of school? It's safe to say that everything is officially back in full swing and our Comets are shining brightly!

Our students have done a wonderful job acclimating to their classroom rituals and routines, and we are so proud of the meaningful instruction taking place each day. It has been exciting to see our Comets settling in, learning, growing, and making new discoveries.

Thank you for your continued partnership and support. We are off to a fantastic start, and we can't wait to see where this year takes us!

Announcements and Shoutouts

From Transportation:

If you have not already, please use the link below to fill out the required Safe Rider Form if your student(s) ride the bus. This is important so the driver can communicate any concerns with you. This form is also critical for our 8 & under students to be released properly.

I have also included the link for the Parent Portal, as this is required to access the Safe Rider Form. You will use the login information from the Parent Portal to log in to the Safe Rider Form.

Lastly, if you need to make a change to the Safe Rider Form you have already submitted, you will use the link again and fill out a new document that will replace the previous version.

If you have questions, please reach out to the Transportation Office at 770-429-5810.
