All transportation changes are only made through CTLS Parent. Please make sure you are making changes online before 1:45 each day! Thank you!

## New Staff Spotlight

Ms. Thomas, Integrated Teacher

## Principal's Message

As we navigate our roles as educators, parents, friends, and partners, let's remember the power we hold to create positive moments. Rath and Clifton, authors of *How Full Is Your Bucket*, stated, "Each of us has an invisible bucket. It is constantly emptied or filled, depending on what others say or do to us. When our bucket is full, we feel great. When it's empty, we feel awful." By consciously increasing these instances of positivity and reducing negativity, we can truly inspire change - with ourselves and in the lives of those we touch.

At Keheley, fostering an environment of respect, kindness and empathy is a shared responsibility. I encourage each of you to try to "fill one another's buckets". Engage in conversations that uplift and inspire.

Offer a helping hand or listening ear. Celebrate each other's successes, no matter how small. These small actions have the potential to ignite a chain reaction of positivity that extends far beyond our immediate circle.

Together, we can build a community where every interaction leaves a lasting impression of encouragement, hope and joy. Your efforts truly make a difference. – Dr. Angelle

## Comet Clubs

Comet Clubs begin September 1!! Be on the look out for a message from your Club teacher with information about pick up and transportation in ParentVue!

## Cafe Visitors

As a reminder, we have limited space in our café for lunch guests. Please be mindful and try to not bring more than two visitors to lunch. Thank you for understanding!

## Farewell

Our wonderful bookkeeper, Allison Chu, will be moving over to Shallowford Falls, her children's school, to serve as their bookkeeper. August 31<sup>st</sup> is her last day at Keheley! We will miss her!
