### Parent and Student Survey

Click here: [Cognia Parent Survey](#)

The Cognia Student, Parent, and Staff Surveys are designed to collect data on student academic learning and wellness during the current school year. Participation in each survey is anonymous and voluntary, and participation is highly encouraged. The survey results will provide the Cognia Accrediting Agency, Cobb County School District, and local schools with data regarding student learning environment, staff input, and parent feedback to support continuous learning. Attached is a sample of the Student Survey. If you would like to opt your child out, please email Lauren.Rabil@cobbk12.org by September 5, 2025.

### Keheley Service Project

Our first school-wide service project supports Hope House in making birthday kits for children that are sheltered there. Please contribute the item listed for your child's grade level.
