Did you Know...

Keheley keeps 100% of all the money raised with the Fun Run?!

We sure do! Please register your student and help our school with donating. Any amount is beneficial!

School News

Safety Drills

School safety is our highest priority, which means that much of what we do every day revolves around ensuring that our campus is a safe place for students and staff. In order to make sure everyone is ready and prepared; we conduct a variety of school-wide safety drills regularly. These drills include fire, tornado, and a number of different shelter-in-place scenarios. Due to safety protocols and based on recommendations from public safety personnel, with a focus on keeping your children as safe as possible, we do not announce drills in advance and do not send after-action reports. We evaluate our procedures regularly with our local school officers to ensure the best safety procedures and practices are in place. Your continued support is appreciated, as we do all we can to ensure the safety of our students and staff.

Comet Fun Run

As of Friday morning, we have raised over \$10,000! Way to go! Thank you for helping our school. The funds will go toward more outdoor improvement and teacher training in reading strategies!

BINGO Night

Our first BINGO Night was a HUGE hit! Thank you to everyone that came out and helped organized. Looking forward to seeing you at the next BINGO in January!

Conference Week

Conference Week is from Oct. 17 – Oct. 20. Face to face conference will be held on Monday and Tuesdays only, while virtual conferences will be held each day. See the informational letter attached.

Items Left at Home

A friendly reminder the only items the front office will deliver to students after 7:50am are eyeglasses, lunches, medications, and water bottles. No folders, homework, projects, etc. will be accepted. Thank you for helping limit interruptions in our instructional time.

Feel Good Friday

1ST GRADE TEACHER

Hello, Keheley Comets!

I am so excited to join Keheley as the newest first grade teacher! I have been teaching for 12 years, I am also a fellow Keheley Graduate. I have a Bachelors Degree in Early Childhood Education. I am happily married to my sweet husband Chris, and we have two wonderful kids! Scott (5) and Emmalee (2). Scott is a kindergartener at Davis Elementary! Thank you for the warm welcome already!
