10/13-10/16- Conference Week

Principal's Message

Keheley Families,

As we head into Fall Break, I hope you take this time to slow down, relax, and enjoy some quality time together! Whether you're traveling, exploring, catching up on rest, or simply enjoying a few quiet days at home, I hope your break is filled with laughter, fun, and special family moments.

Our students and staff have been working hard, and this is a wonderful opportunity to recharge and refresh before we return ready for another great stretch of learning and growing together.

Thank you for your continued support of our Keheley community. We are so grateful for our amazing families and the partnership you share with us each day.

Relax, have fun, make memories, and enjoy every moment of Fall Break!

Help us celebrate both National Cheeseburger Day and the start of Fall Break! Dress up as a grill master, your favorite BBQ style food, or with a fall vacation theme! Volunteers will spread out along the morning carpool line to help students out of cars and greet them as they head into school!

Sign up for carpool party: <https://www.signupgenius.com/go/409054DA4AE2CA46-65697090-management>

Do you make a mean burger? Can you work a grill? Are you willing to learn on the fly? MANagement is looking for grill masters who can help us make cheeseburgers for the staff! Grilling starts at 9:30 for lunch to be served at 10:30. Even if you can't stay for the entire time, we can still use help for any amount of time you have to offer! Sign up for grilling: <https://www.signupgenius.com/go/409054DA4AE2CA46-65696657-national>

Announcements and Shoutouts

Dear Keheley Families,

A few weeks ago, your child brought home a Performing Arts Program flyer (see attached). The CCSD Performing Arts Program truly does impact your child's education. Your donation helps bring high-quality performances into our school building! This year, for example, we will be hosting the following performing artists:

- *Opera Storytime with the Atlanta Opera for Kindergartners* on October 16th.
- *Oceans & Rhythms w/ Jerry White for First Graders* on October 7th.
- *Alliance Theatre showcase for Third Graders* on October 26th.
- *Mama Koku's Stories and Songs for Fourth Graders* on October 2nd.

In addition to our visiting artists, every **second grader** will have the opportunity to attend *The Nutcracker* by the Atlanta Ballet at the Cobb Energy Center on December 15th and every **fifth grader** will have the opportunity to attend a performance by the Atlanta Symphony Orchestra at the Cobb Energy Center on October 27th.

All these events are free to our students and made possible through donations made to the Performing Arts Program. We are so fortunate to live in a district that values cultural experiences. Please consider donating the requested \$20 or more, or any amount that fits your budget, to the CCSD Performing Arts Program. You can donate with cash, check made payable to Keheley Elementary School, or through [MyPaymentsPlus](#). The students and I appreciate you so much for supporting the arts in CCSD! If you have any questions about any of these programs, please reach out!

Thank you,
Mr. Murray

ASP Instructor Needed!!!!

We are looking for a caring, dependable person who loves children to join our ASP staff! We currently have an opening for a Special Education instructor. Responsibilities include:

- supervising and playing with a very small group of students
- snack distribution
- keeping students engaged and excited about coming to ASP

If this sounds like you or someone you know, [Click Here to Apply](#).

Congratulations to our **AMAZING Cafeteria Staff** for earning a 100 on our Department of Public Health rating!
