Cobb Schools Foundation

The Cobb Schools Foundation is a non-profit organization governed by a volunteer Board of Trustees separate from the Cobb County School Board of Education, established to support the needs of students across Cobb County. It is different from Keheley's Foundation, because it supports ALL Cobb families and students and is primarily funded by businesses, corporations, and family donations. The School Schools Foundation's reach is among nearly 108,000 students, located throughout 112 schools. Their three priorities for all Cobb students are Family Stabilization, Learning Interventions and Scholarships. Any Cobb student can apply for support from the Cobb Schools Foundation, even if you have not donated. More info.: <https://www.cobbschoolsfoundation.org/>

Keheley's School Counseling Program

The mission of the CCSD counseling program is to assist students in overcoming barriers that impede learning. School Counselors implement a standards-based comprehensive program including:

- Classroom Curriculum – The classroom instructional topics include Academic, Interpersonal and Personal Skills. Counseling Lessons are taught in every classroom every other week.
- Individual Contact- students can request an appointment with the counselor as needed.
- Small Group Counseling Sessions- students who need additional support each week.
- Parent Consultation - the counselor is available to assist parents with concerns regarding their student.
- Responsive Services- the counselor responds to the needs of students, staff and community.

Fun Reading Tips

Play the alphabet game while traveling or commuting, follow a recipe and cook a meal together, take a walk and look for letters in landmarks or nature, book walk – select a book and create a story using the pictures rather than words, sing a song, read nightly together and ask questions while you go!

Conference Week

Conference Week is from Oct. 17 – Oct. 20. Face to face conference will be held on Monday and Tuesdays only, while virtual conferences will be held each day. Please be prompt and communicate with your child's teacher if you cannot attend.

Carpool and Parking Lot

Please do not pass other cars in the carpool line, especially in the mornings. It is dark outside now and we want to keep all our students safe as they exit their cars. Please follow the correct flow of traffic and do not drive up the out lane. Thank you for keeping us safe and sound!

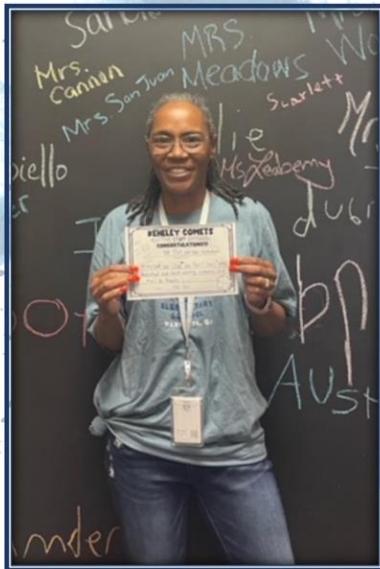

Feel Good Friday

Mrs. Holli Rodriguez, STEM Paraprofessional

Each Friday, we will feature an inspiring, deserving Keheley staff member. The goal of this effort is simple: to recognize the hard work and dedication of our amazing staff! How are staff members selected? The past week's recipient nominates and recognizes the new week's recipient by writing them a special note in our Keheley journal and passing the marquee K along!

New Staff Spotlight

Ms. Pat
CUSTODIAN

Hi Keheley! My name is Ms. Pat! I am excited to join Keheley as the newest custodian on the team! I have worked at various schools in Cobb County, and I am happy to have landed at Keheley.

Your warm welcome has been greatly appreciated. I enjoy seeing and helping students each day and support teachers and other staff members in the building.
