Did you Know...

This year's Book Fair sold over 1,100 books! Yay! Thank you for supporting reading!

School News

Flu Activity in Georgia

Flu symptoms and their intensity can vary from person to person, and can include fever, cough, sore throat, runny or stuffy nose, body aches, headache, chills, and fatigue. Some people are at higher risk of developing serious flu-related complications if they get sick. This includes people 65 years and older, people of any age with certain chronic medical conditions such as asthma, diabetes, or heart disease, pregnant women, and children younger than 5 years, but especially those younger than 2 years old.

Cobb Schools Foundation

The Cobb Schools Foundation is a non-profit organization governed by a volunteer Board of Trustees separate from the Cobb County School Board of Education, established to support the needs of students across Cobb County. It is different from Keheley's Foundation, because it supports ALL Cobb families and students and is primarily funded by businesses, corporations, and family donations. The School Schools Foundation's reach is among nearly 108,000 students, located throughout 112 schools. Their three priorities for all Cobb students are Family Stabilization, Learning Interventions and Scholarships. Any Cobb student can apply for support from the Cobb Schools Foundation, even if you have not donated. More info.: <https://www.cobbschoolsfoundation.org/>

Carpool and Parking Lot

Please do not pass other cars in the carpool line, especially in the mornings. It is dark outside now and we want to keep all our students safe as they exit their cars. Please follow the correct flow of traffic and do not drive up the out lane. There are also new, yellow cones, to help with not passing while in the carpool loop. Thank you for keeping us safe and sound!

At Home Suggestions

Thank you for a wonderful conference week! Check back to the section of the newsletter each week for at home academic, technology, creative, and social-emotional ideas for at home! This week we are featuring main takeaways from conferences.

Take turns reading to your child and having your child read to you.

Kindergarten – Second Grade: Use RAZ-Kids for technology driven reading practice.

Practice fact fluency: addition, subtraction, multiplication, division

Practice reading and solving math word problems.

Log into Moby Max for practice in all subject areas.

Review weekly work with your child and check their folders daily for communications.

Have your child keep a journal to tell you about their day.

Communicate with your teacher via CTLS.

Read newsletter and check CTLS Classroom and Posts for regular updates.

Feel Good Friday

Each Friday, we will feature an inspiring, deserving Keheley staff member. The goal of this effort is simple: to recognize the hard work and dedication of our amazing staff! How are staff members selected? The past week's recipient nominates and recognizes the new week's recipient by writing them a special note in our Keheley journal and passing the marquee K along!

Mr. Bill, Head Custodian
