

💙 💚 Message from Dr. Moll:

Hello, Gator Families!

What an exciting week we've had at Addison, filled with family fun and special memories! Whether you joined us for our Thanksgiving Luncheons, Veterans Day celebration, or Zones at Home, we are so glad you were there! We love welcoming our families into our school and creating opportunities for you to be part of your child's experiences at Addison.

A special thank-you to our amazing cafeteria staff, office and support staff, and PTA volunteers for making our Thanksgiving Luncheons such a wonderful experience! It takes a lot of planning, preparation, and teamwork to welcome so many families, and we are so grateful for everyone who worked behind the scenes to make this time together so special!

Our 5th graders also enjoyed an incredible week at Rock Eagle! I want to give a special thank-you to our 5th grade team and Mrs. Barkley for making this experience possible. It takes a special kind of teacher to spend several days and nights away from home with their students, and that speaks volumes about the heart our teachers have for your children! We are so fortunate to have a staff that goes above and beyond to create these unforgettable experiences.

Speaking of connecting with families, I'll be hosting Coffee & Conversation this Tuesday from 7:30–8:00 a.m. I'd love for you to stop by, enjoy a cup of coffee, ask questions, and share your ideas! It's another opportunity for us to connect and continue making Addison the best it can be for our students and families. I hope you'll join me!

As we head into our last week before Thanksgiving Break, let's make every day count! There's still so much learning, growing, and fun to be had before we enjoy some well-deserved time with family.

Enjoy the rest of your Sunday, and we can't wait to see our Gators tomorrow!

Dr. Chris Moll
