Tech Tip

Caring for Your Children's Digital Well-Being

In our increasingly connected world, let's take a moment to consider our children's digital presence. Before sharing their moments online, let's ensure we do it responsibly and with a gentle touch. Here are some tips to guide you in this journey:

- **Respect Their Wishes:** Ask your children for permission before sharing their photos or stories. As children get older, they may become more sensitive to pictures being shared.
- **Share Mindfully:** Be cautious about sharing personal information about your kids.
- **Educate with Care:** Take the time to educate your children about the responsible use of the internet and the potential consequences of their online actions. Encourage them to think before they post.
- **Watch Over Them:** Keep a watchful eye on your children's online activities, especially when they're young, to ensure their safety and security.
- **Be an Example:** Lead by example by demonstrating kindness, respect, and responsible technology use in your own online interactions.

Remember, the digital footprint you create today will leave a lasting impact on your children's online world. By nurturing a responsible and caring digital presence, you not only protect their privacy but also guide them towards a safer and more thoughtful digital future.

Keheley PTA and Foundation Updates

Comet Fun Run 2024

Thank you to all that have supported our Comet Fun Run this year! We are almost halfway to our goal of \$30,000! Please continue to donate!

This year we are raising money for outdoor improvements like a gazebo refresh, shade structures for playgrounds, and refreshing recess equipment! Donations will also help with teacher training, provide gift cards to teachers to use for classroom resources, and support staff incentives. Because our fun run is non-profit, our school keeps 100% of every donation.

Veteran's Day - Nov. 11th

Keheley is looking forward to honoring our community's Veterans at our Veterans Day Breakfast & Performance! Please send in photos of your Veteran by November 1, 2024, to be included in our presentation. Be sure to include your student's name, the Veteran's name and relation to the student, as well as their branch and years of service. You can email the photos to president@keheleypta.org.

Thank you for helping us celebrate our heroes!
