- Typically takes about 4 years to complete after high school (HS)
- Build a balanced college list:
  - 1-2 **Reach** schools | 2-3 **Match** schools | 1 **Safety** school

- Flexible testing options
  - SAT/ACT accepted, but many schools use the **Accuplacer**
  - Accuplacer is less expensive and used for course placement, not admission
- Short-term, career-focused programs
  - Typically completed in 2 years or less
  - Prepares students for immediate entry into the workforce
- Train for in-demand careers such as:
  - **Aviation, Criminal Justice, Welding, Cosmetology, Carpentry, Automotive, Medical/Dental Assisting, HVAC, Electrician, Graphic Design, Cybersecurity, EMT, and more!**

Military Options

  - Citizenship & residency, age limits, education, ASVAB score, and physical and medical qualifications
- Education & testing requirements:
  - HS diploma or GED required
  - 4-year degree required to join as an officer
- Basic steps to enlist:

College Application Process

Understanding Application Types

- **Early Decision I & II (Binding)** – Cannot apply to other colleges for early decision, but can apply for regular decision. If accepted for early decision, must attend.
- **Early Action (non-Binding)** – Can apply early to other colleges and can apply for regular decision. Will receive an admissions decision before regular decision deadlines.
- **Regular Decision** – Standard deadline date established by the institution, with no priority
- **Rolling Admission** – Open admission; decisions given throughout the year as applications are received and until the limit set by the institution is met
- **Priority Deadline** – Similar to rolling admissions, but priority consideration around financial aid, housing, etc. is typically offered to these applicants

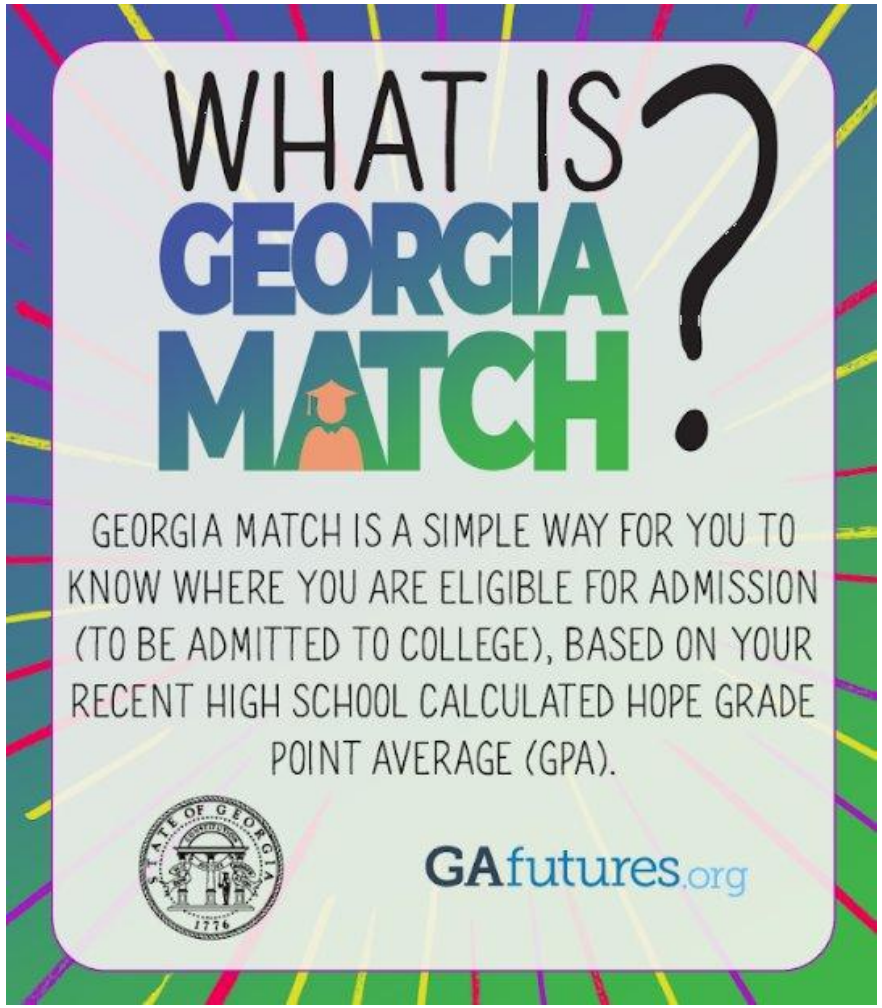

6 Steps of the Application Process

1. Determine what college(s) you're applying to and know their deadline(s)
2. Determine the application type(s) – e.g., Common App, Coalition, Direct to Institution
3. Complete your online profile/submit your application(s)
4. Pay application fee(s)
5. Send your test scores directly from the testing agency – e.g. College Board or ACT
6. Use SchooLinks – our "delivery system" to: 1) send your official transcript and/or 2) obtain teacher letters of recommendation

Remember, as the student/applicant, be sure to track your admissions status directly from the institutions' websites.

It is highly recommended that you take college campus tours!
Most (if not all) are free and can easily be scheduled online directly from the institution's website.
