## What is a School-Parent Compact?

*A School-Parent Compact is an agreement that parents, students, and teachers, develop together. It explains how parents and teachers will work together to make sure all of our students succeed. This compact includes strategies to help connect learning at school to learning at home.*

## Jointly Developed

The parents, students, and staff of Bryant Elementary worked together and shared ideas to develop the school-parent compact for achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Parents are encouraged to participate in the annual review process of the compact and make changes based on students' needs. Parents are welcome to contribute comments at any time. Please contact Sarah Wise at 770-819-2402 or [sarah.wise@cobbk12.org](mailto:sarah.wise@cobbk12.org) to provide feedback.

# Teachers, Parents, and Students-Together for Success

## As a school, we will...

*The Bryant First Grade Teachers will work with scholars and their families to develop students' academic achievement. The focus of our key connections with families will be:*

- Provide opportunities for scholars to practice describing characters, setting, and major events in a story using key details, and send home leveled reading books for practice at home.
- Give scholars multiple opportunities to practice letters and sounds daily in class with hands on and online activities through the Early Literacy Framework.
- Provide small group instruction and opportunities to practice addition and subtraction strategies within 20 in the classroom.
- Maximize instructional time throughout each day.

## As a parent, I will...

*Parents and staff will work together to develop ideas about how families can support their scholar's reading, math and writing instruction by:*

- Read to and with scholar daily and have scholar name characters, setting, and order events of a story.
- Practice blending letters and sounds to create words with scholars.
- Have scholars practice adding and subtracting objects within 20.
- Ensure scholar arrives to school daily, on time, and is ready to learn.

## As a Bryant 1<sup>st</sup> grade scholar, I will...

*Parents, Staff and Scholars will develop ideas about how they can succeed in school and achieve in reading, writing, and math.*

- Read nightly with a parent, practice recognizing characters, setting, and main events in literacy stations and be accountable for completing assignments in scholar led literacy stations.
- Participate in Early Literacy Phonics Framework lessons and use letter sounds to build words.
- Complete math assignments during guided groups with teacher and in independent math stations.
- Come to school prepared and ready to learn each day.

**One Team, One Goal, Student Success!**
