What is a School-Parent Compact?

A School-Parent Compact is an agreement that parents, students, and teachers, develop together. It explains how parents and teachers will work together to make sure all of our students succeed. This compact includes strategies to help connect learning at school to learning at home.

Jointly Developed

The parents, students, and staff of Smyrna Elementary School worked together and shared ideas to develop the school-parent compact for achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Parents are encouraged to participate in the annual review process of the compact and make changes based on students' needs. Parents are welcome to contribute comments at any time. Please contact Jasmin Dix at (678) 842-6741 or Jasmin.Dix@cobbk12.org to provide feedback.

If you would like more information, please contact:

- Parent/Teacher Conferences
- Twitter: [SmyrnaElementary@Twitter](https://twitter.com/SmyrnaElementary)
- Like us on [FB@SmyrnaElementary](https://www.facebook.com/SmyrnaElementary)
- School Marquee

District Goals for Student Achievement

- Increase student performance in all core content areas by 2% annually as measured by achievement data.
- CCSD will increase the participation rate of families and communities engaging in services/programs by 10% as measured by CLTS Parent data, survey results & web view module.
- By 2023, we will reorganize the professional learning framework to meet the needs of all students to ensure alignment with the superintendent priorities as measured by professional learning opportunities, surveys, and student achievement.
- By the end of the 2025 school year, every school will have identified practices and resources that support student success as measured by student achievement, perception and discipline data.

Smyrna Elementary Goal(s) for Student Achievement

Increase by 10% the number of students reading on grade level as measured by the RI (3-4-5) and The Next Step Forward in Guided Reading Assessment (K-2) during the 2022-2023 school year.

Increase by 10 % the number of students performing on grade level in math as measured by MI (Math Inventory) (Proficient or Advanced) during the 2022 -2023 school year.

Teachers, Parents, and Students-Together for Success

Smyrna Elementary School Teachers

- ✓ Teachers will prepare and deliver standard based instruction on a daily basis.
- ✓ Teachers will keep parents informed about the content and skills students are learning through monthly newsletters, CTLS messages and take home folders.
- ✓ Teach strategies for reading and comprehending fiction and nonfiction texts, and support students in selecting reading material for nightly reading.
- ✓ Ensure students use online resources and / or materials to increase mathematical conceptual understanding and fluency.

Smyrna Elementary School Families

- ✓ Parents will get their students to school on time daily.
- ✓ Read the monthly newsletters, CTLS messages and student agenda to gain a better understanding of the skills students are learning at school.
- ✓ Ensure that the student reads each night. Engage in conversations about the book the student is reading to support comprehension. Assist students in recording their reading on Beanstack.
- ✓ Familiarize yourself with online platforms- CTLS, ParentVue, Clever, Dreambox,

Smyrna Elementary School Students

- ✓ Students will come to school ready to learn and actively participate in class.
- ✓ Students will read for 20-30 minutes.
- ✓ Students will engage in daily math and reading guided lessons by answering and asking questions.
- ✓ Students will ask for help when they don't understand the content being presented.
- ✓ Students will use online resources at homelike Flocabulary, Dreambox, Reflex Math and Ciever.

One Team, One Goal, Student Success!
