What is a School-Parent Compact?

A School-Parent Compact is an agreement that parents, students, and teachers, develop together. It explains how parents and teachers will work together to make sure all of our students succeed. This compact includes strategies to help connect learning at school to learning at home.

Jointly Developed

The parents, students, and staff of Sanders worked together and shared ideas to develop the school-parent compact for achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Parents are encouraged to participate in the annual review process of the compact and make changes based on students' needs. Parents are welcome to contribute comments at any time. Please contact Dea Works at 770-819-2568 or dea.works@cobbk12.org to provide feedback.

Teachers, Parents, and Students-Together for Success

District Goals for Student Achievement

By SY26, increase growth by 2 percentage points, for students scoring at the proficient and distinguished levels, as evidenced by state assessments.

By SY28, increase graduation rate from 87% to 88% as measured by GaDOE adjusted cohort graduation rate.

Sanders Elementary's Goal(s) for Student Achievement

Sanders Elementary will increase the number of 3rd through 5th grade students performing on or above grade level from 32% to 37% as measured by the 2024-2025 ELA End-of-Grade Georgia Milestone assessment.

Sanders Elementary will increase the number of 3rd through 5th grade students performing on or above grade level by 10% as measured by the 2024-2025 Math End-of-Grade Georgia Milestone assessment.

Sanders Teachers

Teachers will use CTLS to communicate and provide families access to instructional websites, learning resources and instructional videos to address student needs in reading and math.

Teachers will provide reading comprehension materials for families to utilize with their child at home on their individual reading levels.

Teachers will provide families with resources and activities to assist students with mastering grade level standards in math, reading, and writing during family curriculum engagement events like Math & ELA Night, STEAM Night, Summer Bridge, Conference Week

Sanders Families

Families will visit CTLS Parent to access websites, learning resources and instructional videos to support their child(ren) at home.

Families will provide a daily reading time encouraging their child(ren) to use reading comprehension strategies to think about their reading.

Families will attend family curriculum engagement events to gain resources and strategies to support their child(ren) at home with mastering grade level standards in math, reading, and writing.

Sanders Students

Students will access CTLS Learn and learning websites and resources to practice math and reading skills.

Students will read daily while using comprehension, word study and vocabulary strategies.

Students will use activities and resources from family engagement events to practice math problem-solving and reading comprehension strategies to support their progress in mastering grade-level standards.
