# STANDARD SCHOOL ATTIRE

Austell students in grades Kindergarten through 5th grade, will be required to follow a school-wide uniform dress code to create an educational environment free from distractions, dangers, and disagreements that many times are the result when student choices are left without limits.

Clothing items should not include visible brand names, pictures, designs, or writing with the exception of Austell Elementary School. Students may wear items such as jewelry and other appropriate expressive accessories (pins, wristbands, ribbons, etc.), if these items are not a distraction to the educational environment. Any questions about the appropriateness of any item should be discussed in advance with a school administrator. If needed, students will be allowed to wear specific clothing for religious reasons, but parents must discuss this in advance with school administration so that there is no confusion for the students or staff.
