Lassiter STEM Academy

LHS STEM offers a rigorous inquiry and research-based education program focusing on three pathways: accelerated science and math pathway, biomedical, and engineering pathway.

STEM students are required to take STEM specific science, math, and foundations courses based on the pathway selected.

Lassiter STEM Academy Application for the 2024-2025 school year will open Oct. 1, 2024

CHOICE students may apply beginning Oct. 1, 2024

Lassiter High School
RISING 9TH (CLASS OF 2029)
