Dear Sprayberry Families,

I wanted to reach out to you all today to provide you with information regarding parking for the 2024-25 school year. All policies and procedures will be identical to those that were implemented last year. The only difference is that we will be able to open up 30 more parking spots this year for students, allowing for 115 spots available for our students.

The available spots will first be provided to students who are enrolled in the following courses:

1. Dual Enrollment
2. Work Based Learning

Once these students have registered for parking, the remaining spaces will be opened to students in the following order:

1. Seniors
2. Juniors

Parking will be provided on a first-come first-serve basis. The parking window will be as follows:

July 29 (2:00 pm to 4:00 pm only): Dual Enrollment & Work Based Learning students

August 1: Dual Enrollment & Work Based Learning students

August 2: Seniors

August 5: Juniors

Students who engage in behaviors that result in 3 or more cumulative days of out of school suspension (OSS) OR those who receive 9 unexcused tardies in a semester will lose the privilege of parking on campus for the remainder of the 2024-25 school year.

There will not be any student parking on the first day of school with the exception of Dual Enrollment and Work Based Learning students. Thank you so much for your patience during this process.

Sincerely,

Dr. Sara Fetterman
