Review HOPE *rigor* requirements on GAfutures

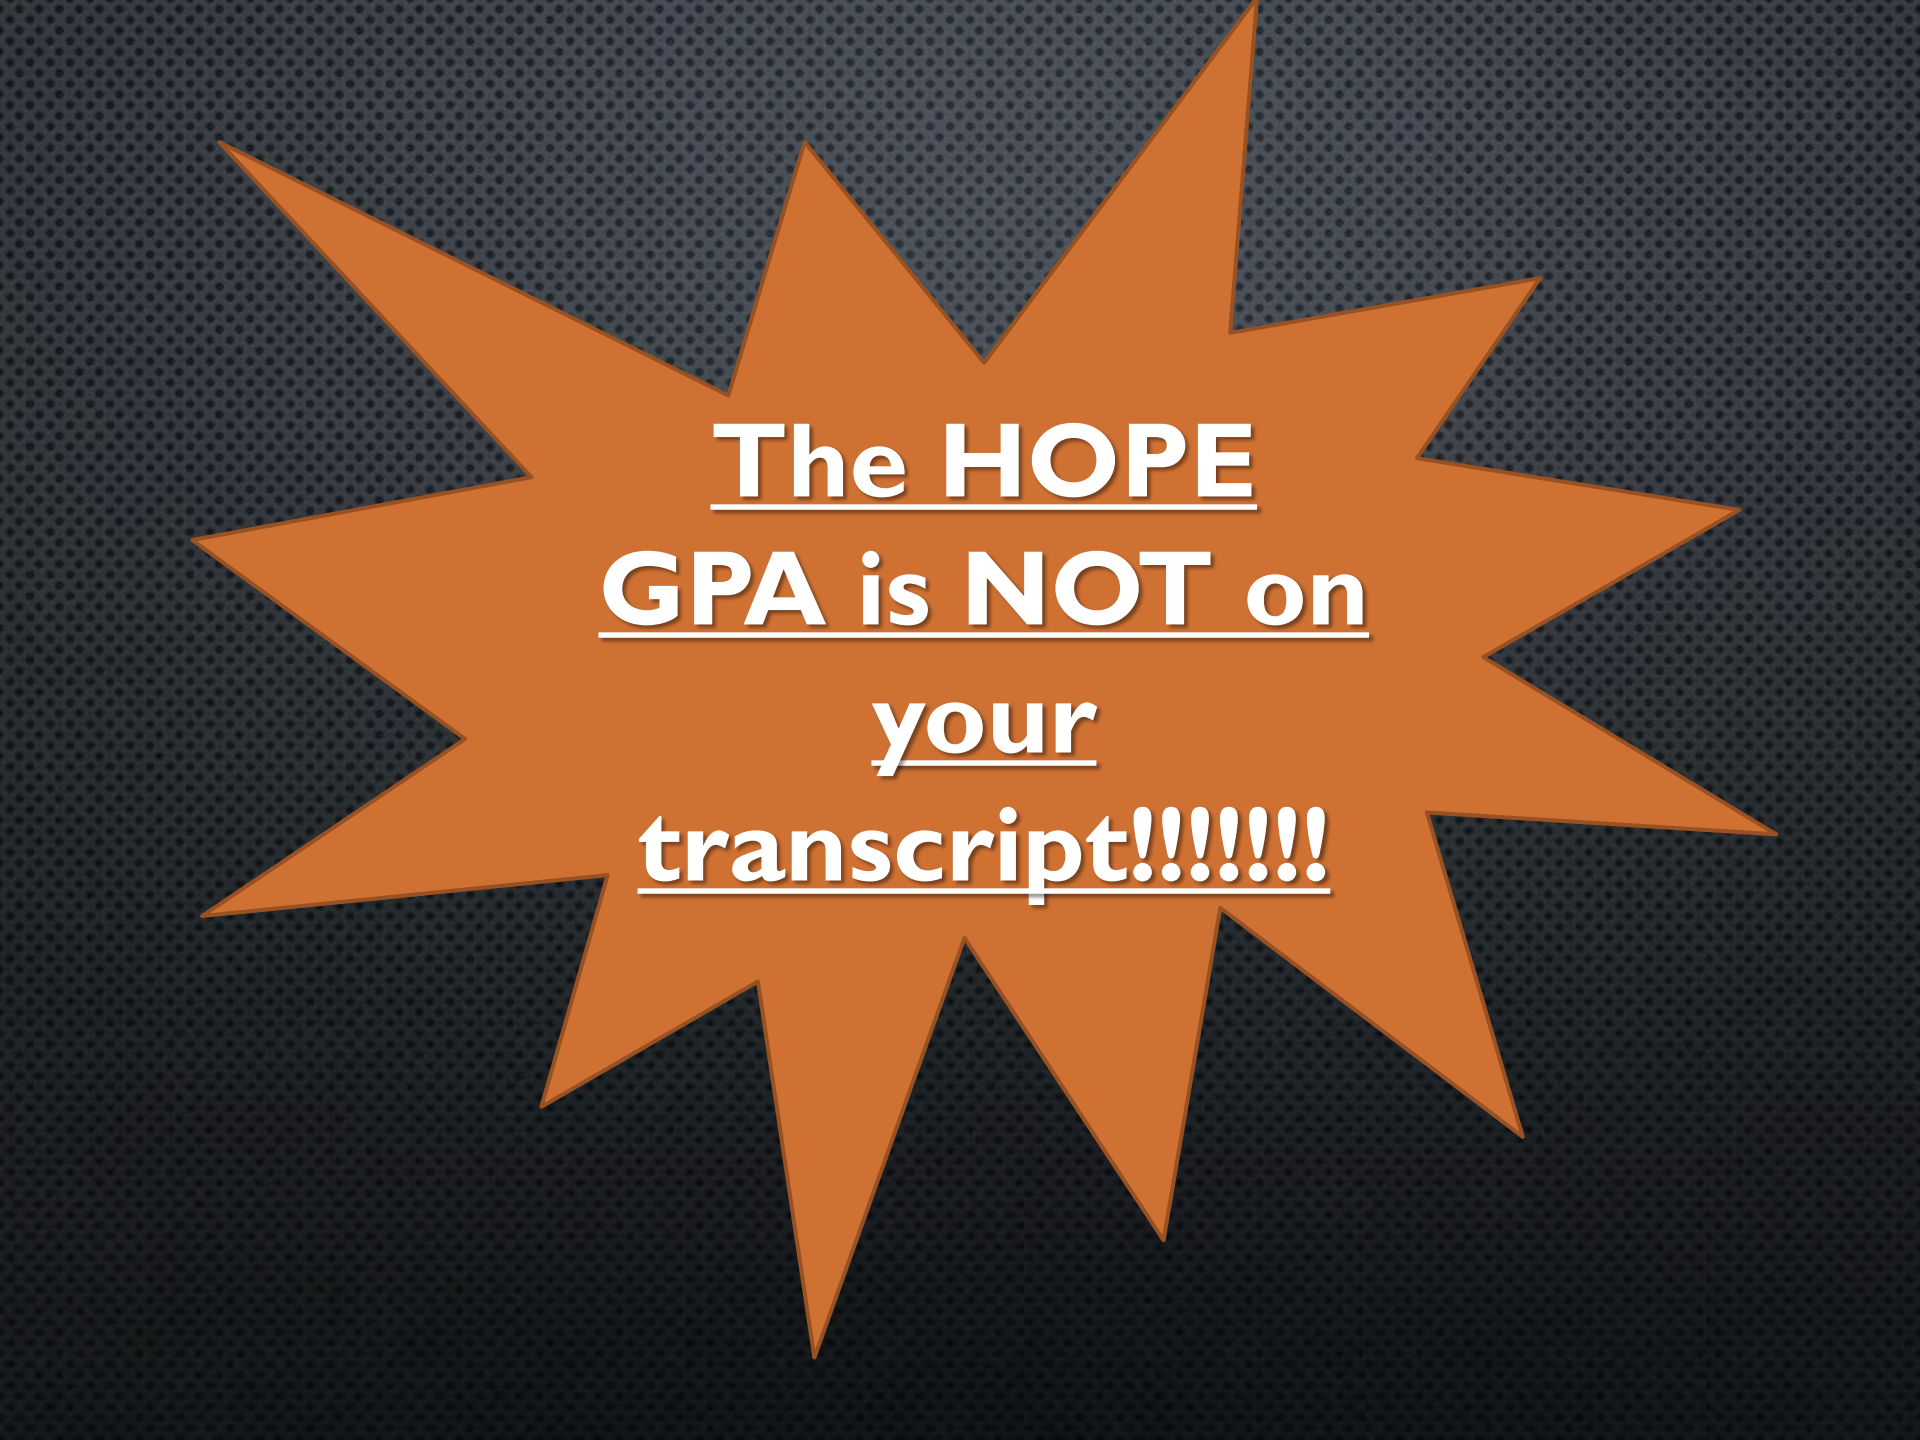

WHICH COURSES ARE WEIGHTED FOR HOPE?

Honors courses do not earn additional quality points toward the HOPE GPA

AP, IB, and Dual Enrollment core courses earn .5 additional quality points, up to a 4.0

IS YOUR STUDENT HOPE ELIGIBLE?

The HOPE
GPA is NOT on
your
transcript!!!!!!

Some colleges use a bonus quality point system (for honors and AP) and some do not.

Most colleges RECALCULATE an academic GPA using only the core classes (think: HOPE GPA)

**HOW
COLLEGES
VIEW GPA:**

CCSD has removed class rank from student transcripts.

Rank has much less significance, if any, to college admissions officers than a range of other factors including GPA, rigor of the curriculum, etc.

Valedictorian, Salutatorian and Top Ten will still be recognized at the end of the senior school.
