Additional Parking & Driving Expectations:

In addition to the parking guidelines outlined on the parking application, Kennesaw Mountain Administration expects all drivers and passengers to conduct themselves in a responsible manner while driving on KMHS property and in local subdivisions.

All student drivers should understand that the following violations may result in their loss of parking privileges:

1. Parking in the incorrect parking lot.
2. Suspension for any drug, alcohol, or weapons violation.
3. Leaving, attempting to leave, or coming on campus without checking out/in through PPO.
4. Reckless driving (includes speeding through any part of the parking lot or neighboring subdivisions).
5. Entering Bus Port area before or after school without direction from administration.
6. Excessive tardies.
7. Excessive parking tickets.
8. Improperly displayed decal. Decals **must** be correctly affixed on the Driver's side of the windshield of the car to which it is registered.

The KMHS administration reserves the right to revoke parking for other discipline issues.

Pay close attention to the dates on insurance card and that the card is for the vehicle you are driving to school.

This inaccurate information is the #1 reason for applications being rejected.
