Extensive Supports

The Georgia Department of Behavioral Health and Developmental Disabilities (DBHDD)

oversees programs and services for individuals with developmental disabilities, including those that provide long-term, intensive supports after high school. Through DBHDD, individuals may apply for Medicaid waivers such as the NOW (New Options Waiver) and COMP (Comprehensive Supports Waiver). These waivers help cover the cost of essential services like adult day programs, supported employment, residential services, and in-home care for those with significant needs. To access these services, individuals must meet eligibility requirements and complete an intake process through DBHDD's regional office system. Families are encouraged to apply early, as wait times for services can be long.
