

## Russell Elementary 2026-2027

Parents, you must register your roadrunner for ASP, if not already attending, in order for your roadrunner to be in a club that meets after school. The registration fee is \$20. The daily fee is \$10 if your roadrunner is not leaving the club as a car rider. Details on registering for ASP can be found at this link: [After School Program \(ASP\)](#).

| Club                                                                     | Dates                                                                                 | Facilitator                                                                                                  | Mission                                                                                                                                                                                                                                                                                                                                                                                                                           |

Students will spend part of the club becoming digital storytellers by creating cartoons, stop-motion videos, and original voiceovers and part learning coding and computer science through Girls Who Code activities. Along the way, students will build skills in creativity, problem-solving, collaboration, and technology while bringing their own ideas to life. You can download a copy of the registration form <a href="#">here</a> or see Ms. Green (4 <sup>th</sup> grade) or Ms. Newell for a paper copy.<br><br><b>Space is limited to 15 students per semester.</b> |

## **Russell Elementary 2026-2027**

\*Families MUST register for ASP and pay the \$20 ASP registration fee if the club meets after school. There is also a \$10 fee to stay in ASP after the club ends if not picked up by car. Students will not be allowed to participate in clubs if they have a negative ASP balance. \*\*Since space is limited, students may not be able to be in multiple clubs.
