

Online School Choice For the 23-24 school year

Cobb Online Learning Academy is an online school serving 6th-12th grade learners.

Program Highlights

- High-quality live instruction from certified CCSD teachers Monday-Thursday, Help Sessions and Field Trips on Fridays
- Engaging lessons utilizing the latest instructional technology, peer to peer interactions, and small group intervention and extension activities
- In-person opportunities including field trips, college visits, social gatherings and help sessions
- Social clubs and academic organizations
- Flexibility for students needing to complete work during non-traditional hours

Who Comes to COLA?

- Families looking for an alternative to the traditional school setting
- Former homeschoolers
- Students who prefer to learn from home
- Students with medical needs
- Students involved in state competitions or careers needing flexibility for work completion
- High school students interested in Business, Marketing, or Technology CTAE Pathways

Students in grades 6-12 for the 2023-2024 school year have the option to choose full-time online learning at the Cobb Online Learning Academy at Cobb Horizon (COLA).

Beginning **March 24-April 7, 2023**, enrolling adults may request to enroll their student in COLA for the 2023-2024 school year.

COLA will share additional information, including steps to be completed by the enrolling adult, before the student is accepted into full-time online learning for the 2023-2024 school year.

Interested families can indicate their choice and submit their selection on ParentVUE. The choice window is open from **March 24-April 7, 2023**.
