## What is a School-Parent Compact?

*A School-Parent Compact is an agreement that parents, students, and teachers, develop together. It explains how parents and teachers will work together to make sure all of our students succeed. This compact includes strategies to help connect learning at school to learning at home.*

## Jointly Developed

The parents, students, and staff of Argyle Elementary worked together and shared ideas to develop the school-parent compact for achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Parents are encouraged to participate in the annual review process of the compact and make changes based on students' needs. Parents are welcome to contribute comments at any time. Please contact Zoila Hill at 678.842.6800 or [Zoila.hill@cobbk12.org](mailto:Zoila.hill@cobbk12.org) to provide feedback.

## Argyle Elementary Activities to Build Partnerships

Please consider joining us through some of the events listed below. Volunteer opportunities may be virtual or face to face.

### Volunteer Opportunities:

- Classroom Readers (In person or virtual)
- Media Center
- The Principal Advisory Council

### Partnership Meetings:

- Annual Title I Parent Informational Meeting
- Open House
- Meet and greet
- Title I Parent Input Meetings
- Parent Teacher Conference Week

### Family Engagement Opportunities:

- Literacy and Math Nights
- Parent-Teacher Quarterly Sessions
- Parent Resource Room

## Argyle Elementary Activities to Build Communication

Some communications may be provided virtually

- CTLS Parent
- ParentVUE

## District Goals for Student Achievement

Increase student performance in all core content areas by 2% annually as measured by achievement data.

CCSD will increase the participation rate of families and communities engaging in services/programs by 10% as measured by CTLS Parent data, survey results & web view module.

By 2024, we will implement the PL framework to meet the needs of schools to ensure alignment with Superintendent Priorities as measured by PL opportunities, surveys, and student achievement.

By the end of 2025 school year every school will have identified practices and resources that support student success as measured by student academic, perception or discipline data.

### Argyle Elementary Goal(s) for Student Achievement

Fifty percent (148 students) in kindergarten through fifth grade will demonstrate grade-level, independent reading proficiency or higher by the end of the 2023-2024 school year as measured by the NSGRA.

Fifty percent (148 students) in kindergarten through fifth grade will perform in the proficient/advanced level as measured by the end of the year Math Inventory during the 2023-2024 school year.

# Teachers, Parents, and Students-Together for Success

## Argyle Elementary Teachers

Teachers will send home instructional practice materials including books and math fluency resources on a weekly basis.

At least once per month, teachers will share grade-specific literacy and math curriculum information through the use of CTLS Parent. They will periodically post this information in their CTLS digital classroom.

Teachers will host quarterly curriculum previews to inform families of the upcoming standards and available resources they can use at home.

Teachers will use CTLS to communicate student progress and needs to families using assessment summaries, a mid-quarter progress report, and an end-of-quarter report card.

## Argyle Elementary Families

Families will use materials they receive to practice literacy and math standards at home.

Families will use CTLS Parent, CTLS classrooms, and CTLS Learn to review teacher messages and posts to support students at home as well as to determine important dates and deadlines for work and events.

Families will attend quarterly previews and then use information and resources to support student learning at home.

Parents will review assessment information, progress reports and report cards posted in ParentVue or sent home. They will share with students and assist them by using at-home strategies.

## Argyle Elementary Students

Students will read daily and use instructional materials to practice literacy and math strategies and standards that have been taught.

Students will discuss CTLS Learn and CTLS Parent information with families and use it to practice and apply literacy and math standards. They will also use it to determine important dates.

Students will review quarterly preview information with families and use resources to practice and review standards.

Students will review their progress reports and report cards with families and practice literacy and math standards at home. Students will check grades and feedback on assignments in StudentVue.

*One Team, One Goal, Student Success!*
