

*For each School Strategic Plan goal, identify progress on any action steps.*

*Provide data to support the impact/implementation.*

*Implementation artifacts and evidence for impact should align to the SSP.*

**School Name:** Ford Elementary

**Monitoring Date:** 2025-2026

**GOAL #1**  
**Literacy (K-2)**

By May 2026, the percentage kindergarten, first and second grade students scoring in the *prepared* range on the Interpreting Texts category of the spring Beacon assessment will increase from 28% to 45%. The Beacon will be used to monitor progress for first and second grade students. Amira will be used to monitor progress for our kindergarten students.

Beginning August 2025, K-2 teachers will analyze Amira and Beacon assessment data during CCCs to identify students requiring additional support in vocabulary and language comprehension. Teachers will use diagnostic data to form **targeted intervention groups** and select **strategies aligned to student needs**.

**Artifacts:**

CCC meeting agenda & meeting minutes  
 Lessons plans (in OneNote)  
 Walk through data  
 Data spreadsheets  
 Assessment data- Amira and Beacon and CFAs

**Artifact Summary:**

- Lesson plans posted in our OneNote shows planning for the 120 minute literacy block, and walks/observations verify that this block of time is being honored.
- We have five teachers participating in the GA Literacy Academy Courses this year because they just completed LETRS training last year.
- CCC minutes are documented in our 2025-2026 Ford OneNote.

**Evidence Summary:**

Amira:

\*\* Our students are still in the process of taking the Amira.

Beacon data:

1<sup>st</sup> grade prepared: 28% to 57% from fall to winter administration.

2<sup>nd</sup> grade prepared: 33% to 59% from fall to winter administration

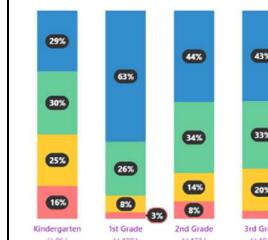

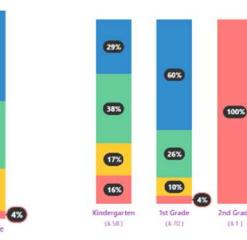

From August 2025 through May 2026, K-2 teachers will implement the new ELA resources daily through explicit and systematic instruction in vocabulary and language comprehension using the **Wonders curriculum**, as indicated by data collected with the districtwide ELA walkthrough form.

**Artifacts:**

- Weekly Wonders lesson plans
- Master schedule showing daily Tier 1 instruction and ELA block
- District ELA walkthrough forms
- Curriculum pacing guides

**Artifact Summary:**

- Lesson plans posted in our OneNote shows planning for the 120 minute literacy block, and walks/observations verify that this block of time is being honored.
- Based on classroom observations, we have observed that 100% of our teachers are implementing Wonders and are continuing to use UFLI for phonics instruction (K-2).
- We have five teachers participating in the GA Literacy Academy Courses this year because they just completed LETRS training last year.
- CCC minutes are documented in our 2025-2026 Ford OneNote.
