Student ID Number

Your student's ID number is located in your ParentVue account.

This number will remain the same for all Cobb County Schools they attend (Elementary, Middle and High.) It is used when paying for any items and activities such as lunch, after school care, field trips or class t-shirts. Your child's ID number is also how they check out books in the media center.

School Hours

7:20-7:50 Students arrive.

Students may begin entering the building at 7:20AM each morning.

Students are marked tardy after 7:50. Parents must come inside the building to sign their student in when he/she is tardy.

Dismissal begins at 2:08. Early check outs are not permitted after 1:45pm.

Lunch Information

Lunch Menus are found here <http://info.cobbk12.org/centraloffice/foodservices/indexMenus.aspx>

To allow students to learn procedures, lunch visitors are welcome after Labor Day.

Online Lunch Payment- www.myschoolbucks.com

Need to drop something off?

Lunch, medicine and eyeglasses are the only deliveries allowed after the start of the school day.

ParentVue

ParentVue provides the enrolling adult the capability to update student and family information, access report cards, sign field trip permission forms, register for ASP, view class schedules and view attendance records

To set up an account: Once your child is registered, login to ParentVue with the same username and password you used to register.

After School Program

Visit East Side ASP 's page. <https://www.cobbk12.org/eastside/page/2542/after-school-program>

See the website for information about the \$20 yearly registration fee and daily fee.

Child forgot something?

Students are not allowed to go to classrooms after dismissal to retrieve forgotten items. These items may be retrieved the following school day.

Specials

Our specials include PE, Art, Computer Lab, Music, STEM Lab, and Maker Space. Your child's teacher will share the class' specials rotation.

Online Payment

www.mypaymentsplus.com
This will be used for field trips, class t-shirts, lost/damaged library books payments.

CTLS Parent

CTLS Parent is how you receive messages and information from your child's teacher, the school and district. You will find important dates, report cards, learning information, etc on the website.

Transportation

It is important that your child's teacher knows how your child is going home each day. All dismissal transportation changes will be communicated through ParentVUE, our district's secure parent platform. We will not accept paper notes or phone calls for transportation changes. You can submit changes quickly through the ParentVUE app or online portal by 1:40 PM each day.

Bus Routes can be found here: <http://transportation.cobbk12.org/livewqweb/webquery/>

Enter your address. Then click on the school's name to see your bus route. The first time your child is going to ride the bus, please meet the bus driver at your stop. He/she will provide paperwork for you to fill out at that time.
