What is a School-Parent Compact?

A School-Parent Compact is an agreement that parents, students, and teachers, develop together.

It explains how parents and teachers will work together to make sure all of our students succeed. This compact includes strategies to help connect learning at school to learning at home.

Jointly Developed

The parents, students, and staff of Lindley Middle School worked together and shared ideas to develop the school-parent compact for achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Parents are encouraged to participate in the annual review process of the compact and make changes based on students' needs. Parents are welcome to contribute comments at any time. Please contact Bethany.Harrison@cobbk12.org or Marcella.Jones@cobbk12.org to provide feedback.
