What is a School-Parent Compact?

A School-Parent Compact is an agreement that parents, students, and teachers, develop together. It explains how parents and teachers will work together to make sure all of our students succeed. This compact includes strategies to help connect learning at school to learning at home.

Jointly Developed

The parents, students, and staff of Mableton Elementary worked together and shared ideas to develop the school-parent compact for achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Parents are encouraged to participate in the annual review process of the compact and make changes based on students' needs. Parents are welcome to contribute comments at any time.

Please contact **Gisela Escobedo** at 770-819-2513 or Gisela.Escobedo@cobbk12.org to provide feedback.

ONE TEAM. ONE GOAL. STUDENT SUCCESS.

Mableton Elementary Activities to Build Partnerships

Teachers, Parents, and Students-Together for Success

The 3rd-5th grade Teachers Mableton Families

Will work with students and their families to develop students' success in reading and math. The focus of our key connections with families will be:

- Offer Curriculum Nights concentrating on English Language Arts, Math standards.
- Send home grade level announcements through CTLS Parent, with ways to help their children with learning at home.
- Provide parents with Clever access to increase reading stamina and comprehension.
- Provide students with real-world problem-solving situations in mathematics to practice at home with their families.

Parents joined staff to develop ideas about how families can support students' in reading and Math. Families may have other ideas to add to the list.

- Attend Curriculum Nights and pick up resources from my child's teacher.
- Get CTLS Parent app, read, and refer to the class announcements with ways to help support my child at home.
- Utilize Clever at home to increase reading stamina and comprehension with my child.
- Practice solving real-world math problems with my child.

Mableton Students

Students joined staff and parents to develop ideas about how they can succeed in school and be "Engage, Empower and Excel" in reading and math.

- Remember about Curriculum Nights in my meetings with my teacher and encourage my parents to attend.
- Go through my announcements with my parents and discuss them.
- Use clever at home to increase my reading stamina and comprehension.
- Use my math knowledge to solve real-world mathematics problems at home.

ONE TEAM. ONE GOAL. STUDENT SUCCESS.
