What is a School-Parent Compact?

A School-Parent Compact is an agreement that parents, students, and teachers, develop together. It explains how parents and teachers will work together to make sure all of our students succeed. This compact includes strategies to help connect learning at school to learning at home.

Jointly Developed

The parents, students, and staff of Compton worked together and shared ideas to develop the school-parent compact for achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Parents are encouraged to participate in the annual review process of the compact and make changes based on students' needs. Parents are welcome to contribute comments at any time. Please contact Yesenia Cruz at 770-222-3700 or Yesenia.cruz@cobbk12.org to provide feedback.

Compton Activities to Build Partnerships

Please consider joining us through some of the events listed below. Volunteer opportunities may be virtual or face to face.

District Goals for Student Achievement

- By SY29, increase by 2 percentage points the number of students performing at the proficient and distinguished levels, as evidenced by state assessments.
- By SY29, increase graduation rate from 89% to 91% as measured by GaDOE adjusted cohort graduation rate.

Compton Goal(s) for Student Achievement

3-5 Literacy Goal

The percentage of 3rd through 5th grade students scoring in the Proficient and/or Distinguished Learner Range will increase by 5% from May 2026 to May 2027 as measured by the EOG ELA Assessment.

3-5 Math Goal

The percentage of 3rd through 5th grade students scoring in the Proficient and/or Distinguished Learner Range will increase by 5% from May 2026 to May 2027 as measured by the EOG Math Assessment.

Teachers, Parents, and Students-Together for Success

Compton Teachers

The School Will:

1. Provide families access to instructional websites, learning resources and instructional videos to address student needs in reading and math.
2. Provide reading comprehension materials for families to utilize with their child at home on their individual reading levels.
3. Provide families with resources and activities to assist students with mastering grade level standards in math, reading, and writing during academic events (i.e. Math Night, Leadership Luncheon, Read Across Compton Event, Family Conferences) and individually as needed.

Compton Families

The Parent Will:

1. Visit CTLS Parent to access websites, learning resources and instructional videos to support their child(ren) at home.
2. Provide a daily reading time encouraging their child(ren) to use reading comprehension strategies to think about their reading.
3. If possible, attend academic events (i.e. Math Night, Leadership Luncheon, Read Across Compton, Family Conferences) to gain resources and activities to support their child(ren) at home with mastering grade level standards in math and reading.

Compton Students

The Student Will:

1. Access CTLS Learn and learning websites and resources to practice math and reading skills.
2. Read daily while using comprehension, word study and vocabulary strategies.
3. Use activities and resources provided to practice math strategies for problem-solving and reading comprehension strategies that increase mastering grade level standards for math and reading.
